CITY OF BYRD ...

19

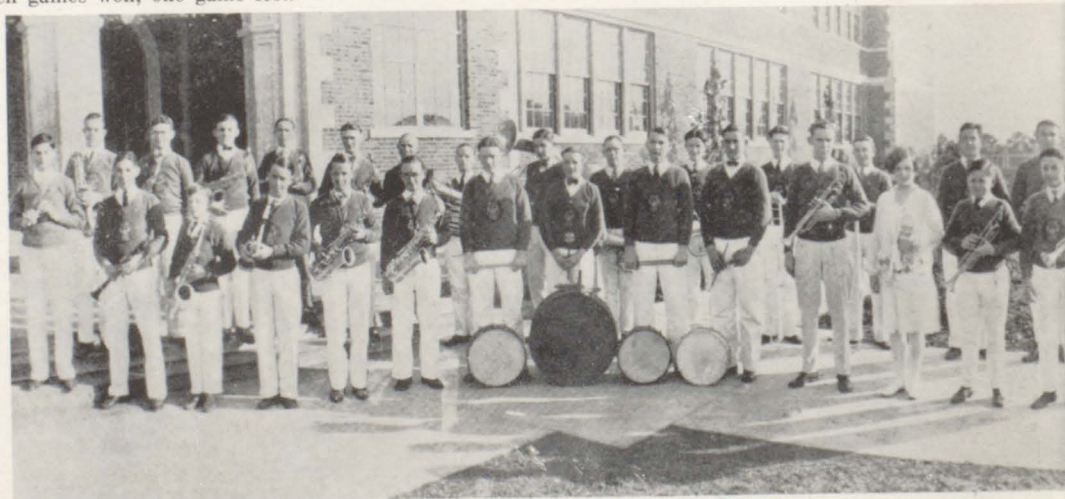

Le Cercle Francais is the only organization in the City of Byrd at the present time which was functioning in 1926. Pictured here is the first group to have their meetings in Byrd.

The 1926 Yellow Jackets finished their season with a 9-1 record. Since that time the Jackets have won three state championships. The 1955 squad, rated first in the state throughout the season, had a record of ten games won, one game lost.

Here are a few scenes that perhaps our parents remember. In 1926 C. E. Byrd had its first graduating class.

Byrd's first band consisted of only twenty-eight members. Now we have a large "A" Band and a "B" Band. The Band travels throughout the South and plays at all of the school's football games.

THIRTY YEARS AGO

26

The 1926 track team shown here had a very good record for Byrd's first season, winning third place at the State Rally. But the teams that followed were even better. Last year's squad won first place in both the District Rally and the State Rally, setting several new records.

The Jacket diamond men in 1926 won the State Championship with an impressive 24-0 record. This year the Cox Clan has hopes of equaling that magnificent record.

Shown here is the 1926 Mardi Gras Court. Mardi Gras is no longer celebrated at Byrd; in its place are the Gusher Favorites of the Senior Class.

Now we invite you to look at the Byrd of today, its changes, its improvements, its additions. Here is a record of the things we did, the things we learned, and the things we will remember.

DEDICATION

THREE DECADES OF PROGRESS

During the thirty year life of C. E. Byrd High School, the building itself has changed very little in physical appearance, but there has been a continued growth in population and organizations. This year has shown a marked change in the structure of the building with the addition of new rooms and the beginning of a new gym. Although these are the visible changes, the greatest growth has been in the respect gained not only in the city of Shreveport, but also throughout the state. To the spirit of progress in our "City of Byrd" on its thirtieth birthday, we, the members of the 1956 Gusher staff, dedicate this year's Gusher.

JULY

Time flies! Five minutes before class.

Seems like we just left, but here we are at summer school.

Summer or winter, the band must practice.

Forty million times a day,
At home, at school, or on the way.

AUGUST

These are the girls who went to conferences this summer to learn how to better our school. They are Dee Stahl, Penny Hawkins, Vaundeleath Jackson, Nancy Wilhelmi, Martha Nan Thompson and Lynn Rogers.

Our cheerleaders, Dale Netherland, John Miller, Billy Ware, Linda Frye, Rochelle Monsour, and Sallie Brown, went to a camp to learn more about leading cheers.

Eva Brumfield, Ethel Scrivenor, and Jane Barnette went to a convention to learn more about library work.

Sharon Shuler, Mary Lou Maurer, and Emily Taylor of the High Life staff went to a convention to learn more about the planning of school papers.

SEPTEMBER

The Pep Squad held a Rummage Sale soon after school began. Money earned was to finance trips for the Pep Squad and instruments for the Drum and Bugle Corps.

Back to School—

The Jackets played hard and skillfully at their first game.

Those fall practices

SCHOOL BEGINS

are hard but lots of fun.

They're on the way to one of the first football games. These students really have the spirit!

We must get a good start! Study, Study, Study.

OCTOBER

The newly-elected sponsors try to find a coat that fits.

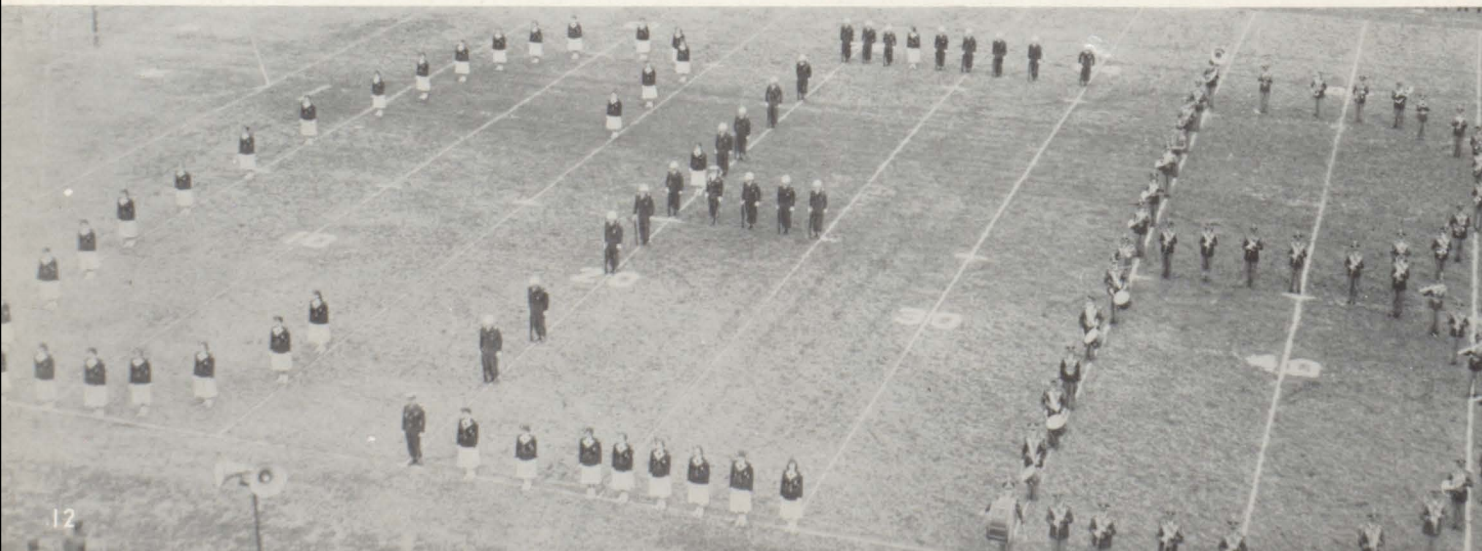

Before a game, the football boys eat a huge dinner in the cafeteria.

Our cheerleaders aren't always like this!

The ROTC sponsors, Military Band Platoon

NOVEMBER

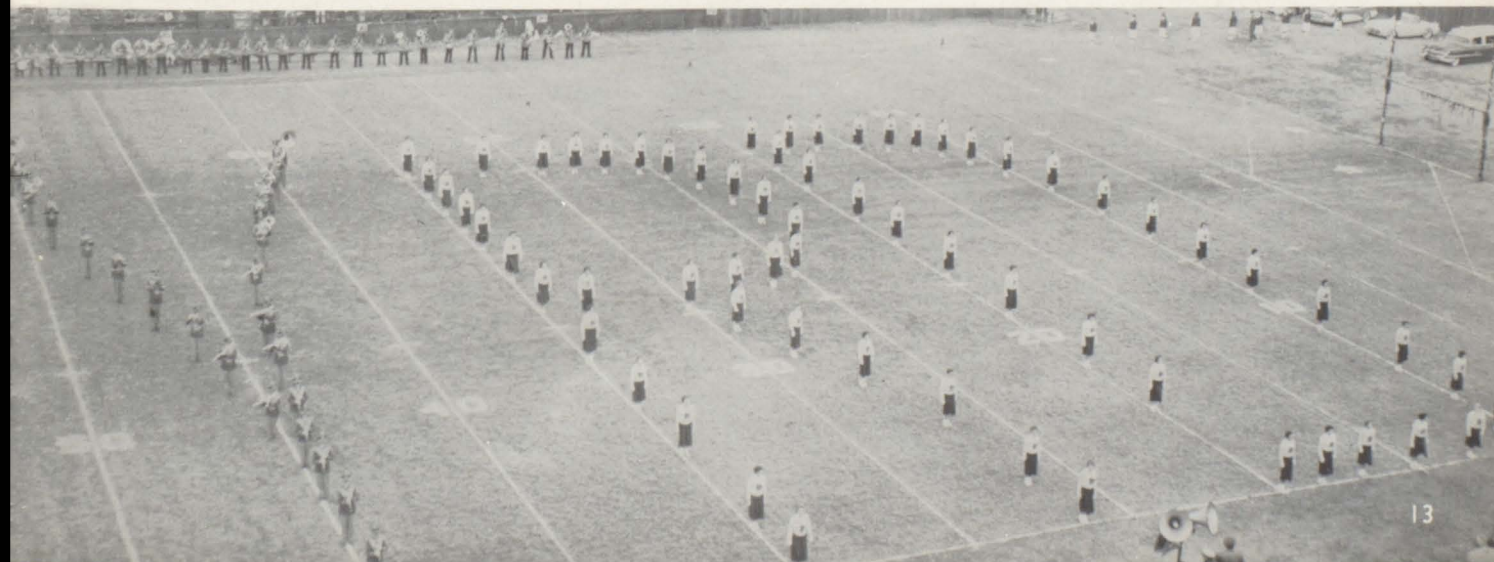

The Homecoming Court is presented to the school.

The new pep squad, made up of the Varsity Club, really had the spirit.

and Pep Squad spell out C. E. Byrd at the Thanksgiving game.

DECEMBER°

The Christmas Spirit begins as the Home Economics classes make decorations for their homes and the school.

The Gusher Staff is busy taking pictures of club groups.

Business students begin to learn fundamentals of office practice.

Members of the Debate Club leave for a Debate tournament.

Students begin to decorate their homerooms as the Christmas Holidays grow near.

HOLIDAYS — CHRISTMAS

When school is almost out, students find that it is very difficult to study.

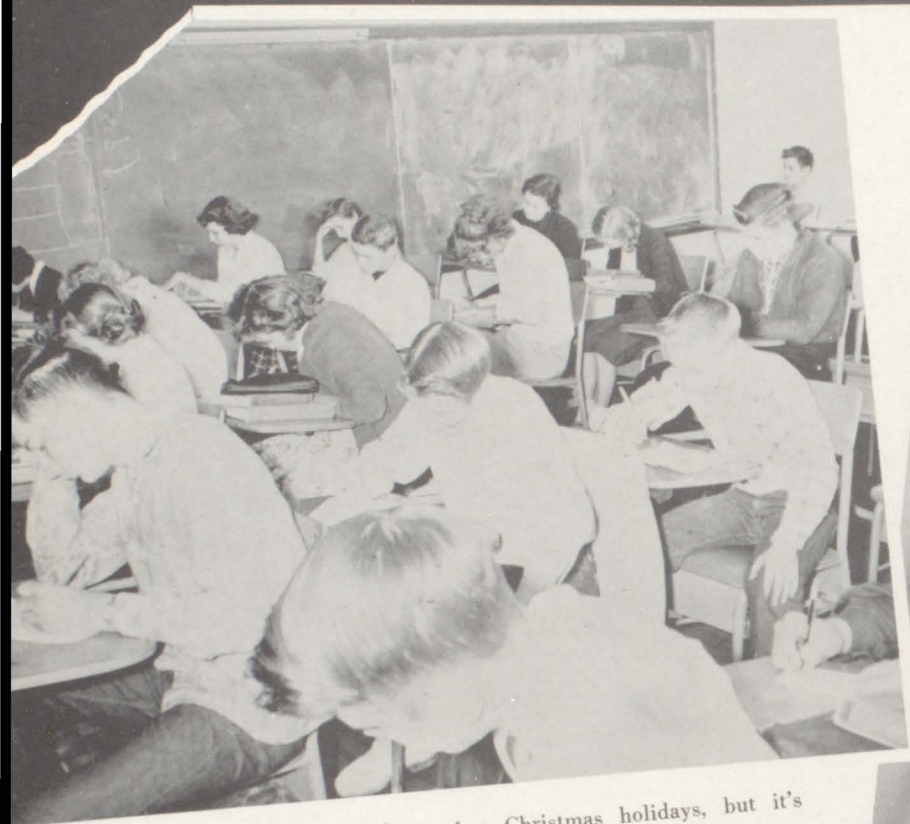

Everyone gathers in the auditorium for the Christmas Assembly.

The Byrd Choir and members of the speech classes present the Christmas program. This closes school for a long awaited vacation.

JANUARY

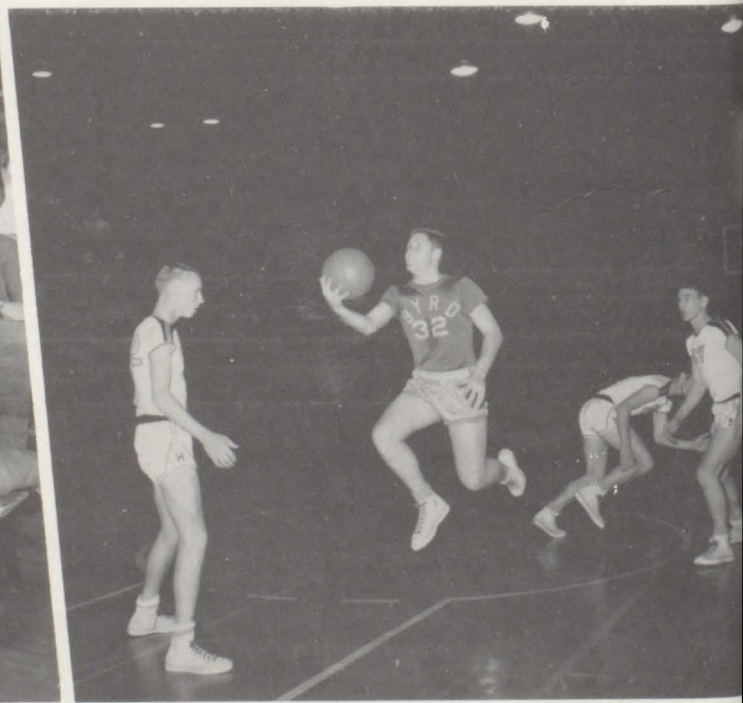

It's hard to get back to work after Christmas holidays, but it's necessary!

Jackie Birdwell shows Sammy Logan how the graduation caps will look.

Mid-term exams are coming soon—no more playing around in study hall.

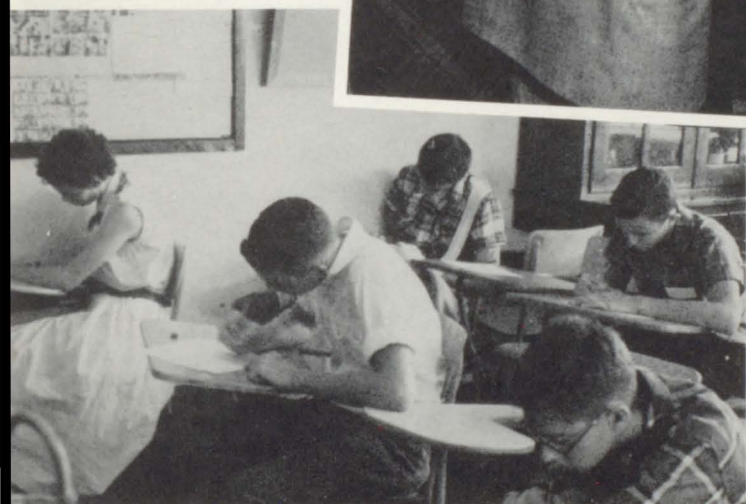

Eddie Burt shows his skill in basketball with one of his "special" shots.

FEBRUARY

Next year's seniors try on senior rings. They order plain gold rings, or ones with black stones.

Those mid-term exams call for brains, study, and much work. Oh dear!

And all lockers must be renewed.

We must start the new term with a big bang—but not from the chemistry lab, we hope!

MARCH

Through every month, the band works on.

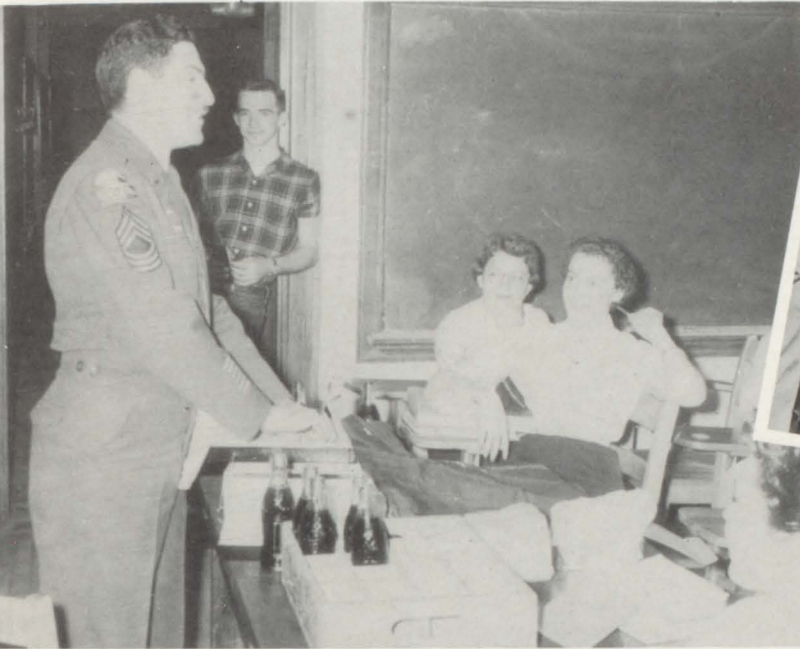

Ronald Chapman and Charles Peatross begin practices, for track season has begun.

Construction continues on the new gym.

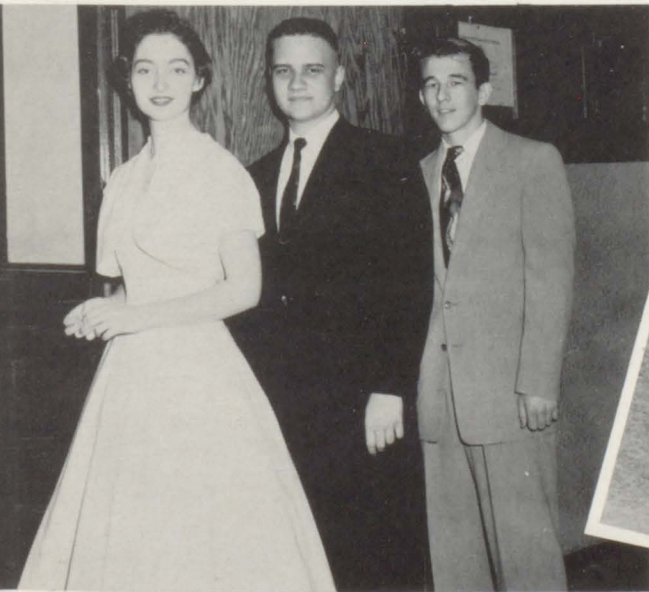

The faculty has parties, too, no doubt.

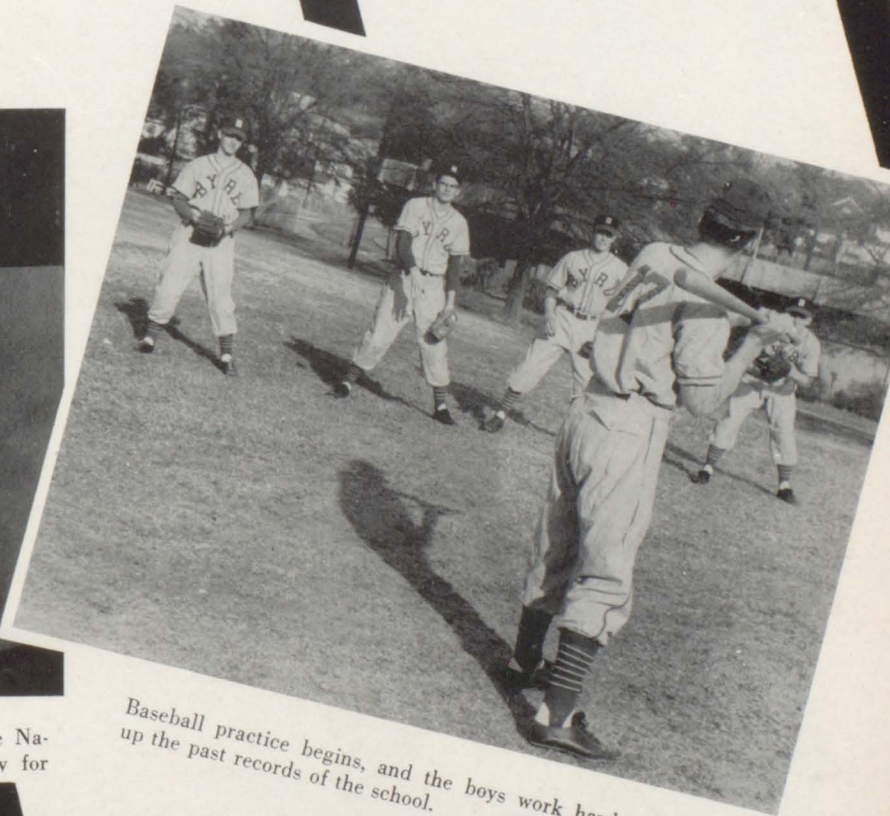

The Pep Squad gives Sgt. King a farewell party before he leaves for further army work in Europe. Sgt. King has done much to help the pep squad learn to march.

After preparing all year, the ROTC boys go through Federal Inspection.

Mona Horton, Frank Evans, and Danny Caudle of the National Honor Society are about to go to the assembly for the announcement of the new members.

Baseball practice begins, and the boys work hard to keep up the past records of the school.

MAY

Projects and themes must be handed in, exams must be taken, and books must be turned in.

Things must be cleaned up—

for the seniors must leave the school in a better condition.

Seniors leave the auditorium after the Baccalaureate service.

Parties are held every day for the departing seniors.

AND SCHOOL IS OUT FOR 1955-56!

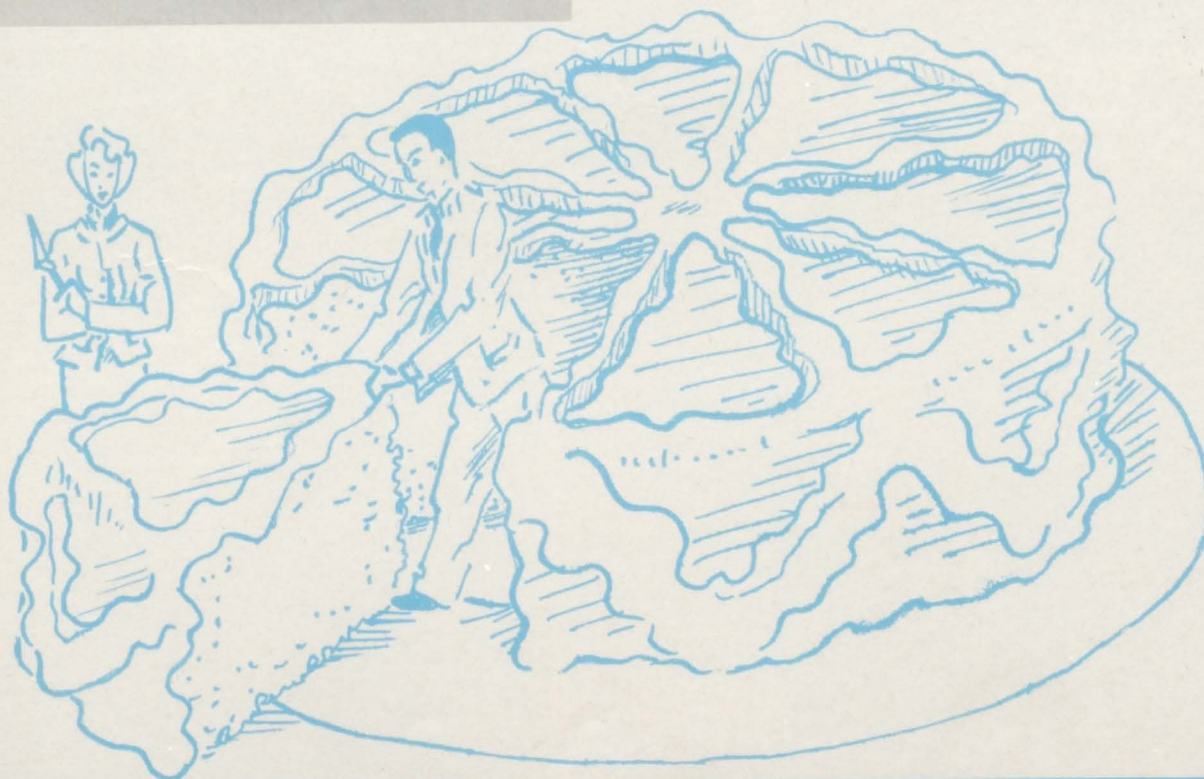

PAUSING ON THE NEW TEACHERS' PARKING LOT, one of the most useful additions to Byrd, are the class sponsors. Mr. B. L. Grigg, sophomore; Mrs. Lucile Knapp, junior; Miss Louise Harris, junior; Mr. Cyrus Larmoyeux, junior; Mrs. Eunice Alston, senior; Mr. O. A. Slater, senior; Mrs. Anna McGraw, freshman; Miss Hettie Ecker, sophomore; Mr. Max Edmunson, senior; and Mrs. Mamie Breazeale, sophomore.

FACULTY

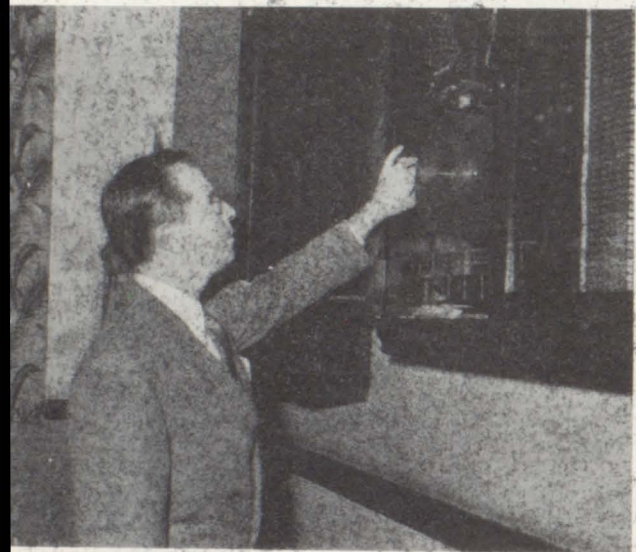

The day begins . . . classrooms are busy . . . typewriters click . . . Macbeth records compete with the French records next door . . . the saw buzzes . . . the band plays . . . odors from experiments cloud the halls . . . formulas are put to use . . . all supervised by the teacher.

Mr. Duncan is enrolling a late freshman, Bob Watson, as freshman Sandra Poss looks on.

Shown ringing the bells after a late assembly is our favorite citizen.

The mayor of a "city" as large as Byrd is kept jumping by the telephone.

MR. J. H. DUNCAN

Mayor of the "City of Byrd"

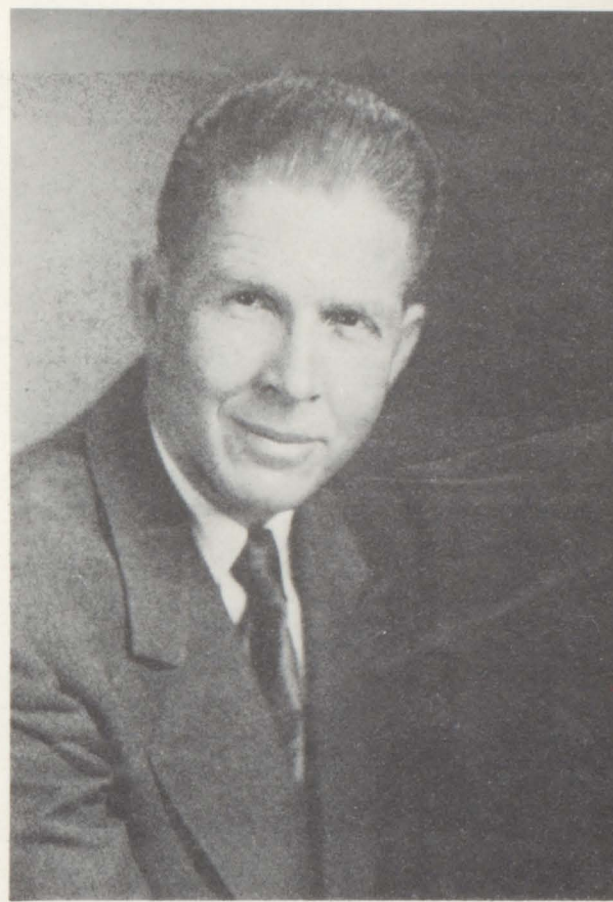

Mr. Duncan has completed his first year in residence as the mayor of the "City of Byrd." He came to our "city" from Lakeshore Junior High. Our mayor has proven himself a capable administrator and a worthy advisor. He has taken his job to his heart as the students and faculty have taken him to their hearts.

Mr. Charles A. Ravenna, the assistant-principal of our school, is well known for the efficiency with which he carries out his duties. Mr. Ravenna acquires a personal touch with the students of Byrd by being able to remember every student's name. He is always willing to help a citizen of the City of Byrd with any problem.

Mr. Ravenna keeps his office workers busy: typing out memorandums, going through the files for records of different sorts, and doing other small odd jobs.

MR. CHARLES A. RAVENNA B.S., M.S., M.A.

Councilmen of the City of Byrd

MISS NELLIE V. STROTHER B.A., M.A.

Miss Nellie V. Strother is Byrd's student advisor. Miss Strother frequently aids the students in their choice of subjects and vocations. Handling many problems that the students encounter is one of her duties. Helping the seniors in their choice of colleges and helping them apply to the college of their choice is a job which she enjoys doing.

Several seniors are looking over a folder from one of the leading colleges of the nation as they confer with Miss Strother about their college plans.

In Memoriam

In the death of Miss Cecilia H. Cooley on January 22, 1956, there was lost not only to the City of Byrd but also the City of Shreveport and the State of Louisiana, one of its foremost citizens, a woman who dedicated her life to the helping of young people. The student body of Byrd High School, being deeply saddened by the loss of such a fine person, pays tribute to Miss Cooley in appreciation of her noble character and the services she rendered to Byrd High School.

Miss Cooley was reared in Shreveport and attended Byrd and Centenary College where she was elected a beauty. In her high school and college days she was active in many organizations and held important offices in various clubs.

Appearing next to Miss Cooley's picture in the 1926 Gusher was a statement which proved true throughout her entire life:

"Always so gay and happy, numbering her friends by her acquaintances."

COMMERCE

The Commercial Department consists of typing, shorthand, bookkeeping, and Business English. These courses, which are beneficial in any vocation and in school, are essential in secretarial positions. Two years of typing, two years of shorthand, one year of bookkeeping, and one year of Business English are offered at Byrd. These courses are not required for graduation, but they prove to be helpful throughout the life of any person.

DISTRIBUTIVE EDUCATION

Distributive Education is a vocational training program operating through state and local school systems to provide specialized education for those persons entering or already employed in retail, wholesale, and service occupations. D. E. trains at high school level through a combination of classroom instruction and actual supervised work experience in distributive occupations.

Films make the learning of each individual job easier.

Learning what the gauges mean help a great deal in driving.

The Louisiana Drivers' Guide provides students with the answers to the questions on the driver's test.

DRIVING

Students who take the course in driving learn the right way through books and actual experience. The student comes from a study hall or study room, and thus it becomes an extra class. At the end of a set period of time, a graduate takes his test and receives his license. Mr. Roy Graves is the instructor.

ENGLISH

Probably the English Department offers courses most often used in every day life. English affects every course offered in both high school and college. Graduation from Byrd requires four units of English. The four levels of learning include reading, oral speaking, writing, and listening. An appreciation of literature, of America and of the world, is gained through the English courses at Byrd. Literature enriches the lives of the students by acquainting them with the thoughts of great writers. Students are instructed in grammar to prepare them for theme writing, reports, and for use in future lives after graduation.

Oral reports are a part of every day life in the city of Byrd.

The study of the short story is made very interesting in the Junior English classes at Byrd.

ENGLISH

Construction of sentences is an important part of English. The students of this class are always reminded of this by this poster.

Various poems studied by the Junior English classes are illustrated here by these posters which were projects of the students.

One part of English is the invaluable help given by the teacher.

The effect of many poems depends upon the interesting ways they are presented to the class.

Offering three foreign languages to the students, the school prides itself in its fine language department. Spanish, Latin, and French are taught. In the Spanish Department the three teachers have first, second, and third year students. A Latin Pupil can take up to four years, and first and second year French is offered.

Each of the languages has its own club which meets twice a month. The students participate in programs for the entertainment of their classmates. At the end of each year, a banquet is held for each department.

Students in one of the Spanish classes study verbs and their endings.

FINE ARTS

Vocal music, art, drama, and instrumental music are included in the Fine Arts department. Mr. Alvin Benner is the director of the Byrd High School Band, which has rendered great service to the school throughout the years. The activities of the band include concerts and marching at the half time of the football games. Art, which is taught by Miss Betty Lawrence, is a very important subject for it aids in developing the talent of many students. Speech and drama are taught by Miss Olive Kite. The Senior play and various other one-act plays are highlights of the year's activities. Mr. Robert Hallquist directs the Choir, which participates in concerts and assembly programs. The librarians are Mrs. Dorothy Hanks and Mrs. Frances Daugherty. Our library is filled with many books which are helpful to students in all their subjects. Although the courses in this department may not be required for graduation, it enriches the lives of so many of our students with art and culture.

HOME ECONOMICS

The training received in the Home Economics Department at Byrd may be used throughout the lives of the students. Many new recipes which make tasty dishes are learned in cooking. Students are taught to make clothes, to mend them, and to change the style in sewing. They learn style and design which helps them to dress fashionably. Each year the Home Economics department has a style show in which the students wear an article of clothing which they have made. The apartment is used by this department to educate these students in the art of decorating a house. Also they learn how to be a good hostess by having practice parties in the apartment. Many new ideas which may be used to improve the community are acquired in Home Economics.

The mechanical drawing department helps the student learn everything from elementary mechanical drawing to the drawing of machinery parts. Both boys and girls attend these classes. One of our new teachers, Mr. Roge, is the head of this department.

Johnny Ellis demonstrates the use of the power saw.

Girls are also interested in mechanical drawing.

MATH

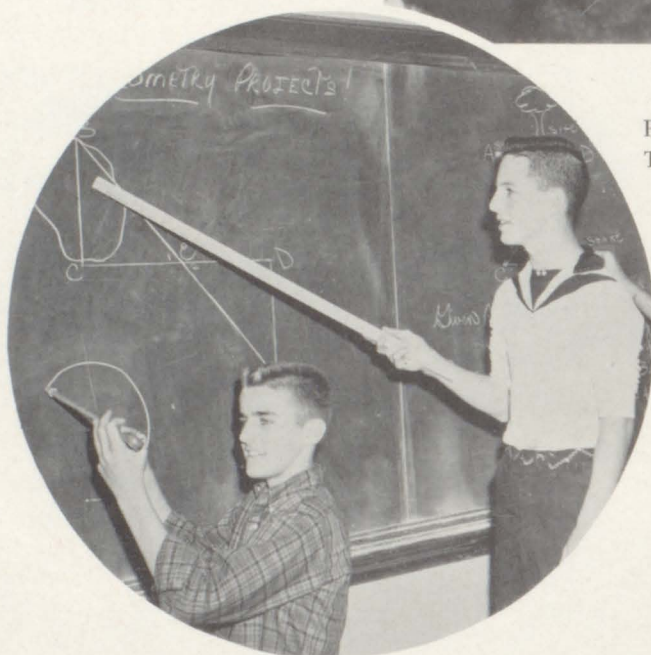

This math class is taking the study of the slide rule.

Various courses are offered for mathematical minded students. Plane and solid geometry, algebra, and trigonometry deal with numbers, circles, and cylinders. Business arithmetic, which deals with advanced arithmetic, is also offered. If one does not continue his education further, the knowledge obtained in high school will be of use to him in later life.

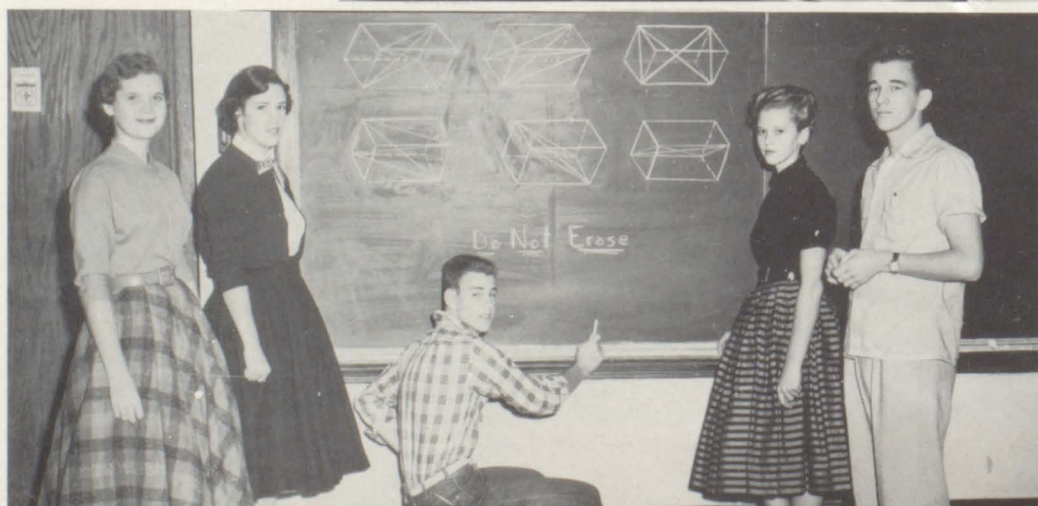

T O M A J O R I N M A T H

Freshman algebra is the first type of math offered at Byrd.

Plane Geometry is usually taken by Sophomores and Juniors. The study of circles is taken up in Plane Geometry.

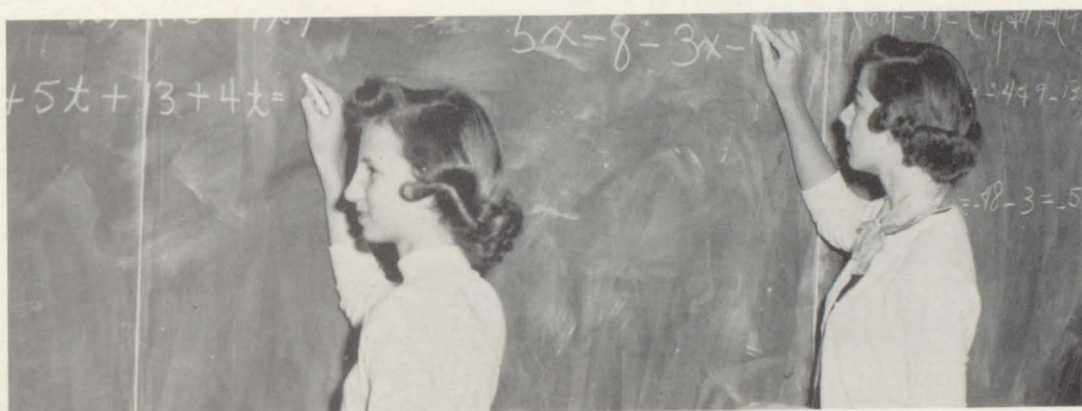

The study of advanced numbers is brought out in the study of advanced algebra. This subject has proved to be very helpful in later life.

Trigonometry deals with the study of triangles and functions.

Freshman algebra can be fun, Miss Rhodes' algebra class is displaying a Christmas tree of algebra formulas.

In algebra, problems dealing with finding the unknowns are worked out.

Girls as well as boys can enjoy making figures which would help them to understand better the problems.

Tumbling is one of the many sports participated in by the boys' physical education classes.

The Physical Education Department at Byrd provides many activities and sports, which train students in good sportsmanship and teamwork. It also develops physical fitness and emphasizes good health habits. Among the sports participated in by boys are tumbling, basketball, baseball, volleyball. Girls take basketball, tennis, badminton, softball. This year the girls have taken dancing and party planning.

Dancing is one of the exercises done by the girls' gym classes. This helps posture as well as giving poise to the girl.

R.O.T.C.

The principal aim of R. O. T. C. is to teach the cadet the basic principles of leadership and a better understanding of military life. Any Sophomore, Junior, or Senior boy may take R. O. T. C., although it is not required. The classes meet daily and are usually under the instruction of the cadet officers. We are truly fortunate, for Byrd and Fair Park are the only high schools in Louisiana to have R. O. T. C. Although it will alternate to Fair Park next year, the Regimental Staff is here at Byrd this year. Major Spence is the PMS&T of the Shreveport high schools and is also the Commandant of Cadets at Byrd.

SCIENCE

Graduation from Byrd High requires one unit of credit in civics and one unit of American history. World history is not required for graduation, but it may be studied by those students who are interested in learning about the ancient history of our world. These courses are of major importance because they create an appreciation of our past history and an interest in our present history.

Virginia Teufel, Tommy Wilson, and Walt George are pre-
sented an interesting historical skit to their class.

This magazine keeps them informed on current events and
affairs of the world.

TRADE

The instructors of Trade School are: J. H. Zmek, Y. E. Smith, H. H. Watson, J. L. Sermons, Earl Williams, C. H. Wallace, and John Tolen.

SCHOOL

In order for some of our students to learn more of their trade, Byrd and the Shreveport Industrial School have made an agreement to let our students attend their classes while enrolled at Byrd. Each student spends the first part of the day at the Trade School and the next half at Byrd. Each pupil receives

the regular amount of credits for his Trade School work, and he graduates at the end of four years and is ready to begin working in his chosen profession without additional education. Some of the courses offered are automobile repair, welding, radio and television repair, barbering, and machinery.

Auto Mechanics, Bill Gwyn, Sam Smith, James Phillips, Johny Munds, Jimmy McLeod, and Jimmy Keller are shown during class.

Shown in the welding department are: Jimmy Jones, Joe Watson, Charles McDuff, and Thomas Hill.

In the fender and body department Johny Hawthorn, Jimmy Shepherd,

David Knott, Kenneth Ozment, and Jimmy Price are hard at work.

Carlton Council is in the machine shop.

Willis Brown is at work in the radio section.

Johnny Garacci is a specialist in metal.

James Hicks is seen grinding valves.

OFFICE STAFF

The office staff, along with its student helpers, keeps the "City of Byrd" running smoothly. This staff runs errands; takes the afternoon sheet, which includes announcements for students and teachers, to all the rooms; and calls about each person who is absent for the day.

LEAVING THE "OLD CITY OF BYRD" BEHIND, the present senior class goes on to become a part of a bigger city and world. These seniors, who have known Byrd before the new additions were started, will be the last class to be a part of the "old city of Byrd." They are Jackie Birdwell, Editor of the Gusher; Keith Jones, Colonel of the R.O.T.C.; Wanda Markham, Colonel Sponsor of the R.O.T.C.; Billy Bundrick, President of the senior class; Dale Netherland, head Cheerleader; Judy Wintle, President of the Quill and Scroll; and Fred Sexton, President of the Student Council.

LOOKING BACK OVER '56

We, as seniors looking back over our senior year, remember only the good things. These are only a few moments caught by a camera, but we cherish them all. This year comes only once in a life-time, although we remember it always.

When our senior rings come, it seems like the most wonderful day of our lives. We then hurry to show them off to everyone we see in the halls.

It was ridiculous how frantic we became when studying for that big test. We even came to school early and studied outside the teacher's door.

How relaxing it was to stop for a chat at our lockers and discuss the happenings of the day. This was always good for the nerves.

AS SENIORS

Soon after mid-term, we have to go to the office to check our credits for graduation.

It was so hard to think of the people to vote for, especially when there were many deserving people and only a few honors.

This is the last time we'll walk through these doors as students, although we know we'll return to visit again some day.

BYRD

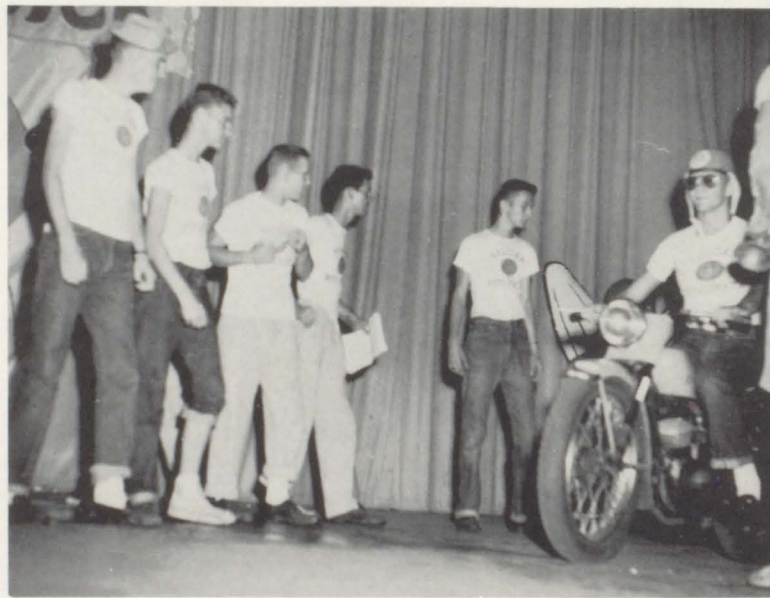

The Pep Assemblies are always enjoyed by the students. Here Jerry Williams and Olive Dubuisson are acting out a skit.

On the same program are Bobby Sanderlin and Jackie Birdwell presenting an Arabian dance.

One of the cleverest assemblies of the year was given by the delegates to Pelican Girls' State. The girls are acting out their version of a day at Girls' State.

The Boys' State delegates also gave their idea of Boys' State. This shows them receiving mail from home.

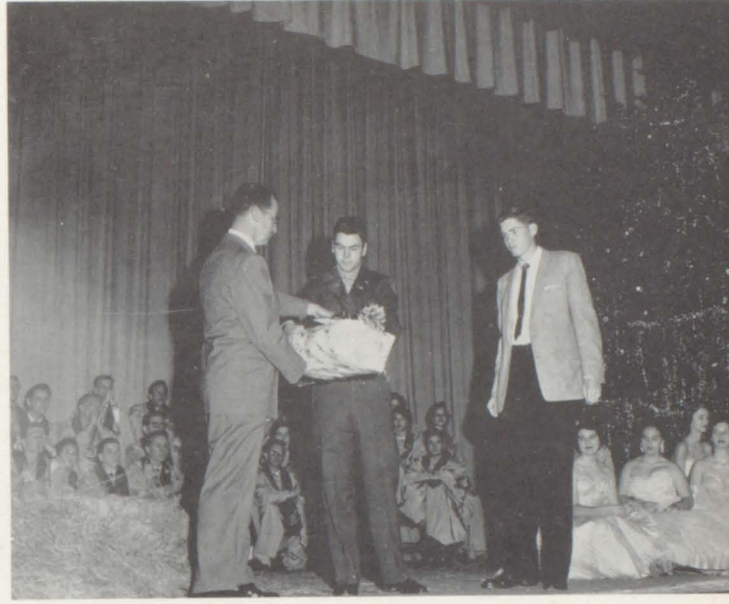

The Foreign Language Departments had an interesting program composed of French and Spanish songs and talks about the Foreign Language Day held at Centenary College.

ASSEMBLIES

During the annual Christmas assembly, Bobby Eason and Sally Black act out "The Night Before Christmas."

Keith Jones and Fred Sexton present Mr. Duncan with a Christmas gift from the student body.

The Byrd "A" choir always gives an enjoyable program.

Babs McGowan, Susan Riggs, Kay Coleman, and Jerry Winterrowd are shown before giving their speeches in the Voice of Democracy assembly, which is held each year.

Members of the Creative Dance group present a funny but skillful novelty dance routine.

NATIONAL HONOR SOCIETY

President, KEITH JONES
Vice President, WANDA MARKHAM
Secretary, MARY ANN NEFF

Each spring the National Honor Society holds an impressive installation for the new members.

The National Honor Society is an organization with membership selected by the faculty on the basis of Leadership, Scholarship, Service, and Character. To promote interest in leadership and scholarship and to make good leaders is the aim of the club. Every year a special assembly is held to install the new members, which have to be juniors or seniors. The main project of this organization is the annual Recognition Day. At this assembly students from the entire school are recognized for their worthwhile service. The co-sponsors of the club this year are Miss Chadick and Miss Phipps.

"Ye shall know the truth and the truth shall make ye free" is the motto of the Quill and Scroll. Our branch of this international honor society for high school journalists has been active since 1947. To be a member of the organization, one must have a "B" average, be a junior or senior, have fifty or more inches of printed material in three consecutive issues of the High Life or ninety hours work on the Gusher, and be on a publications staff. It is one of the most honored organizations in the school.

Each year the members hold a very impressive initiation for the incoming members which is followed by an informal banquet. The sponsors of this organization are Miss Margee Sanders and Miss Louise Harris.

As Penny Hawkins writes her name on the Quill and Scroll scroll, Helen Holleman and Gerald Slusher await their turn.

BYRD'S

Byrd's "A" band is one of the finest concert bands in the South. Because of the size of the school and the band, our band has to travel far to find fair competition. The fact that the band is out of the class of most school bands in the state is a tribute to the directorship of Mr. A. N. Benner and to the members of the band.

Keeping in step with all the new events at Byrd High, our marching band initiated a change from pageantry half-time shows to precision marching at its first performance in Sulphur.

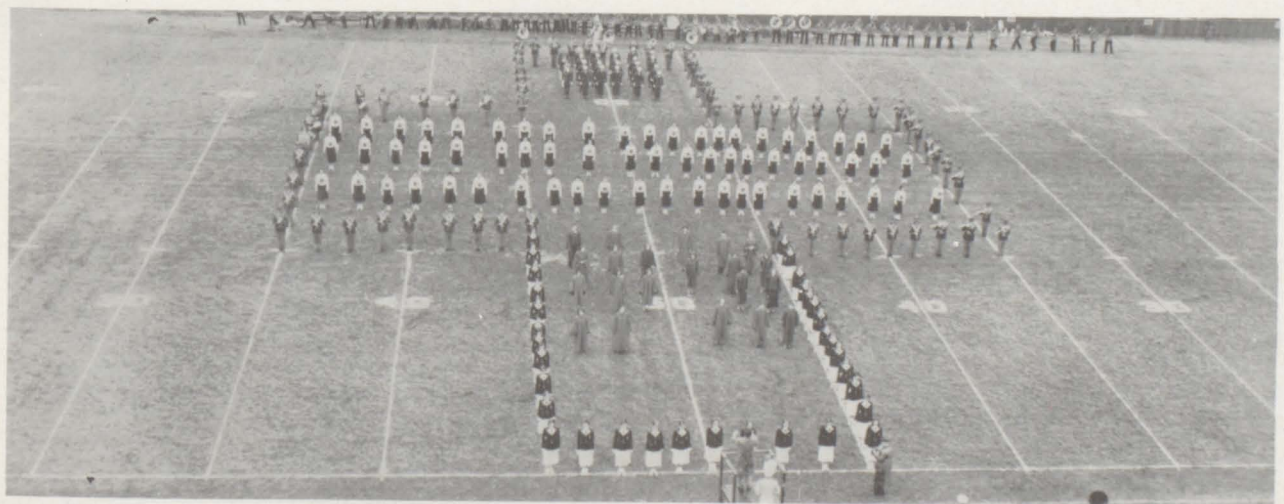

The concert band was again honored by being selected as one of the most outstanding organizations in the country, and it was selected to appear in the nationally recognized publication, "First Chair of America." This publication honors the finer bands of America that maintain the highest national standards.

Besides being one of the best bands in the state, our group is one of the more active organizations. Musical performances of the concert band included formal concerts in February and April in addition to assembly programs and community activities. The band still retains memories of a tour taken through southern Louisiana, New Orleans, and a concert at Vicksburg is fresh in its mind. This fine group of musicians looks forward to accepting an invitation to perform at the Highlander Music Festival in Dallas.

Three Byrd band musicians; Freddie Peters, Stephen Murdock, and Johnny Bruce were selected to represent Louisiana at the Music Educators National Convention Golden Anniversary Band held in St. Louis from April eleventh to April eighteenth.

The success of Byrd's fine band is due largely to our very capable director, Mr. A. N. Benner.

BYRD'S "B" BAND

Byrd's "B" band is the source of the fine musicians that play in our "A" band. These budding musicians work hard toward the goal of playing with the "A" band. Sylvia George and Joe Hill are caught by the camera after appearing in an assembly to advertise the "A" Band pep concert.

Johnny Bruce takes inventory of the candy left after selling candy to raise money for the "B" Band uniforms.

BYRD'S "A" CHOIR

The "A" Choir represents the cream of the crop in Byrd's vocal music department. Each student is auditioned before becoming a member of this select group; also, many of its members have had previous musical training.

Included in Byrd's fine vocal training program are a girls' glee club, two mixed choruses, and a beginning choir. The participant in any of these programs is benefited by a wider and more thorough knowledge of music and musical pieces. Every student receives a well-rounded foundation of music to be used as he pleases: in church choirs, in harmony groups, or simply for his own enjoyment of music.

The director of the vocal music department is Mr. R. N. Hallquist, B. M.

The choir officers gather for a meeting. From left to right, they are: Ronnie Alexander, Bill Mason, Felix Wheeler, Judy Stayton, Linda Rosett, Alice Davis, Marcus Gill, Charlie Campbell, and Patsy Tucker.

Mr. R. N. Hallquist and Linda Rosett are shown going over the musical arrangements to be used in the choir's Christmas assembly.

STAFFS

The GUSHER is symbolic of the "gush" of activities, organizations, and honors in the "City of Byrd." The yearbook is a record of one year of our lives—of our accomplishments and of our failures. To the teachers and students whose co-operation and contributions have made this year's GUSHER possible, we wish to express our sincerest thanks.

The GUSHER workers are divided into three staffs; editorial, business, and art. The editorial staff prepares copy and layouts; business staff members sell advertisements and deliver the book; the art staff members are in charge of all art work. Attached to the editorial staff are two photographers who take the many action pictures that appear in the book.

Your 1955 GUSHER won first place in the Columbia University yearbook survey and AA from the National School Yearbook Association.

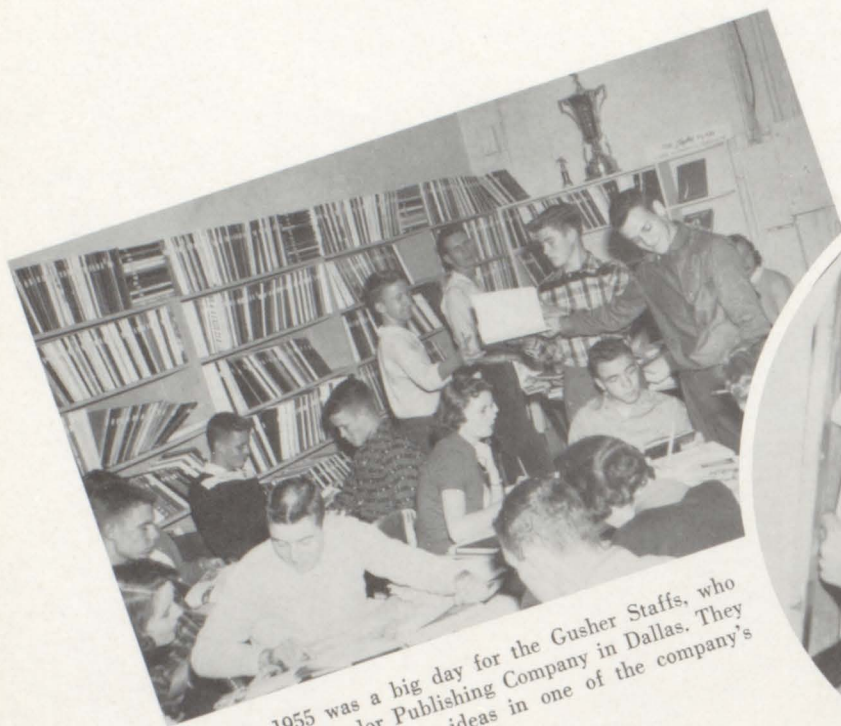

Below: Douglas Yauger, Virginia Marcantel, Julia Hamiter, and Ford Gibson prepare the GUSHER advertisement section.

Julie Gamble and Gerald Slusher, Co-Editors of the Advertising Staff, look up from their work.

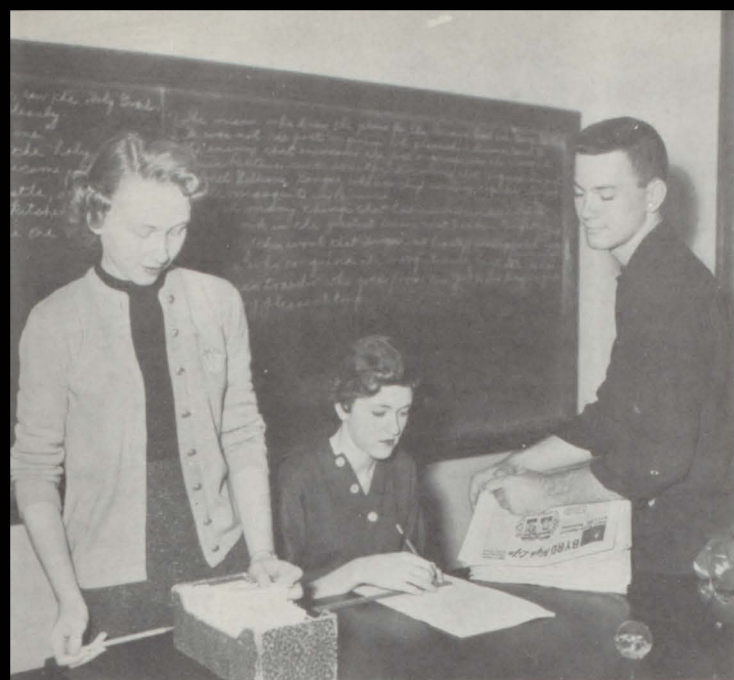

HIGH LIFE STAFFS

The High Life is written, edited, and distributed by several hard-working departments, the Advertising Staff, the Business Staff, the Circulation Staff, and the Editorial Staff. The workers of these departments sell ads, collect for them, distribute papers, write stories, and make-up the paper.

Kay Wiener, Sharon Shuler, Penny Hawkins, and Mary Lou Maurer of the Editorial staff plan together lay-outs of the pages.

The Art Staff, Ronald Chapman, Jimmy Hartwell, Cissy Haywood, Jeanne Holt, a visitor from the yearbook staff, and Gloria Thompson discuss the latest art work.

Elizabeth Dorr, Advertising Manager, and Jean Weeds, assistant, consult with Roger Churchman, Circulation Manager.

Business Staff workers, Prissy Clark, Penny Nowery, Milly McCauley, Sandra McGarrie and Prissy Poindexter work on the advertisement lay-outs.

The Editorial Department is composed of the journalism classes, serving as reporters; the Editorial Staff, planning and making-up the paper, and the Art Staff.

Eagerly anticipated is the announcement of the winners of the Friendliest Contest sponsored each year by the paper.

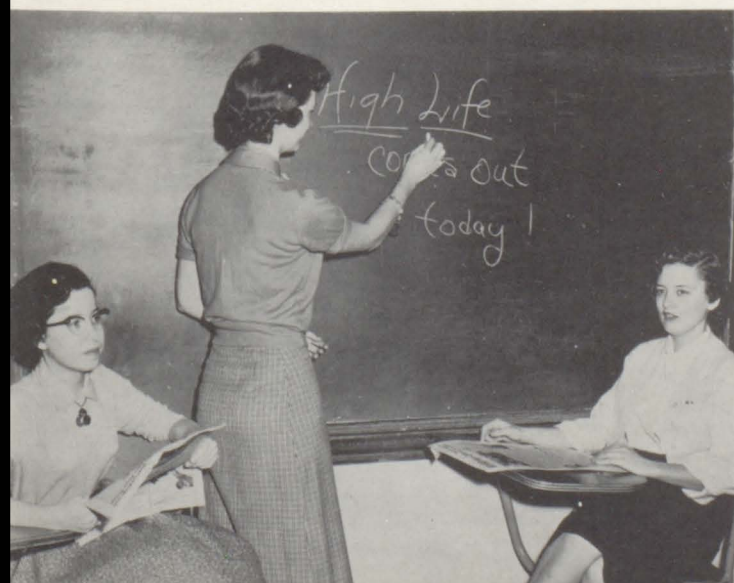

The High Life was judged Louisiana's best AA-AAA high school paper, 1955, Scholastic Press Association; First Place, Honor Rating of the Quill and Scroll, and Balley "A" award.

The faculty sponsors are Miss Betty Lynn Harrel, Editorial Advisor and Mrs. Mamie Brazeale, Business Advisor.

These points may be earned in debate, humorous and dramatic interpretation, extemporaneous speaking, original oratory, and declamation. The Leading Chapter Plaque was won by Byrd in 1945 and 1952. The Byrd Chapter is one of the most active in the Louisiana-Texas district. Every year the N. F. PELICAN BOYS' AND GIRLS' STATE

Attracting eager scholastic leaders from all over the state, the mythical 49th state of our country convened last August in Baton Rouge. Elected as delegates from Byrd were thirteen girls, who attended Girls' State, and eleven boys, who went to the annual Boys' State sessions. The delegates, who are elected by the junior class, should possess the outstanding qualities of character, leadership, cooperativeness, and scholarship. Each representative was sponsored by one of Shreveport's leading civic organizations. They followed a program planned by the American Legion designed to educate our youth in the duties, privileges, rights, and responsibilities of American citizenship.

Citizens of Pelican State are taught to honor and revere the freedoms given them by the Constitution of the United States of America, and the democratic way of life. They are taught the duties of the real officeholders in the every day world and are actually given a chance to perform these duties.

PELICAN STATE ALTERNATES

Elected to serve in the absence of the selected delegates to Pelican Girls' and Boys' State were these nineteen alternates. Each alternate was assigned a number to correspond to the number of a delegate and would have attended the annual session of citizens in the absence of that delegate. The alternates were elected by the faculty and the Junior class on the same basis as the delegates. Therefore, selection as a delegate or alternate is a great honor.

HEART OF BYRD

When people think of Byrd High School, they are inclined to think of studies, football games, parties, and graduation. Seldom do they think of the many worthwhile activities in which the Byrd students participate. These students work without renown, but the things they do make Byrd what it is. Such activities are the Heart of Byrd.

Each Wednesday Byrd High students gather in the auditorium for the Chapel service. The program consists of a prayer and devotional led by the students. Often there is a special song at the beginning of the service.

Byrd supports three orphans each year. These students have been to the homerooms collecting money, which is taken up once a month.

Homeroom members take up food and clothing for Thanksgiving and Christmas boxes.

Three members of one of the many prayer groups collect food and clothing for a needy family.

A group of Byrd pupils are on their way to Youth Week. Youth Week is held each year, meeting at Byrd, Fair Park, or Bossier. Students of the three schools work together in planning this very worthy activity.

Because of their character, dependability, and efficiency, girls of the office staff help to make Mr. Duncan's tasks lighter.

Without these people it would be impossible to serve lunches in the three thirty-minute lunch shifts.

Makers of the hoops and posters that add so much spirit to football games and assemblies are the above people. Reading clockwise, they are Sylvia Hoag, Fuller Bazer, Charlie Robinson, Tommy Hadley, Ann Brandon, Cissy Haywood, and Jimmy Hartwell.

OFFICERS' AND SPONSORS' CLUB

The Officers' and Sponsors' Club of C. E. Byrd High School was organized in 1936 for the purpose of working to create interests and make improvements in the R.O.T.C. Meetings are held on the second and fourth Mondays of each month.

Encouraging the spirit of cooperation between cadets and their officers and directing the social activities of the group are the aims of this club. The social service accomplished this year has included Christmas boxes for needy families and collecting money for the March of Dimes. The sponsors are Mrs. Lucille McClendon and Major John Spence.

SUMMER

This year R.O.T.C. summer camp was held at Camp Polk. The camp was open to all cadets from Byrd and Fair Park, although the majority of the cadets went from Byrd. These boys went through a training schedule almost identical to that of the National Guard.

CAMP

They went on reconnaissance patrols and had two maneuvers, one at night and the other during the day. For athletics the boys played baseball, volleyball, and had two swimming pools at their disposal. A total of 120 cadets attended this year, composing four companies. The Commandant of Cadets was Major Spence.

Individual combat training was important.

Even Hadley worked.

Camouflage training is necessary.

We had to keep sharp during inspection.

We showed our parents around during visitors day.

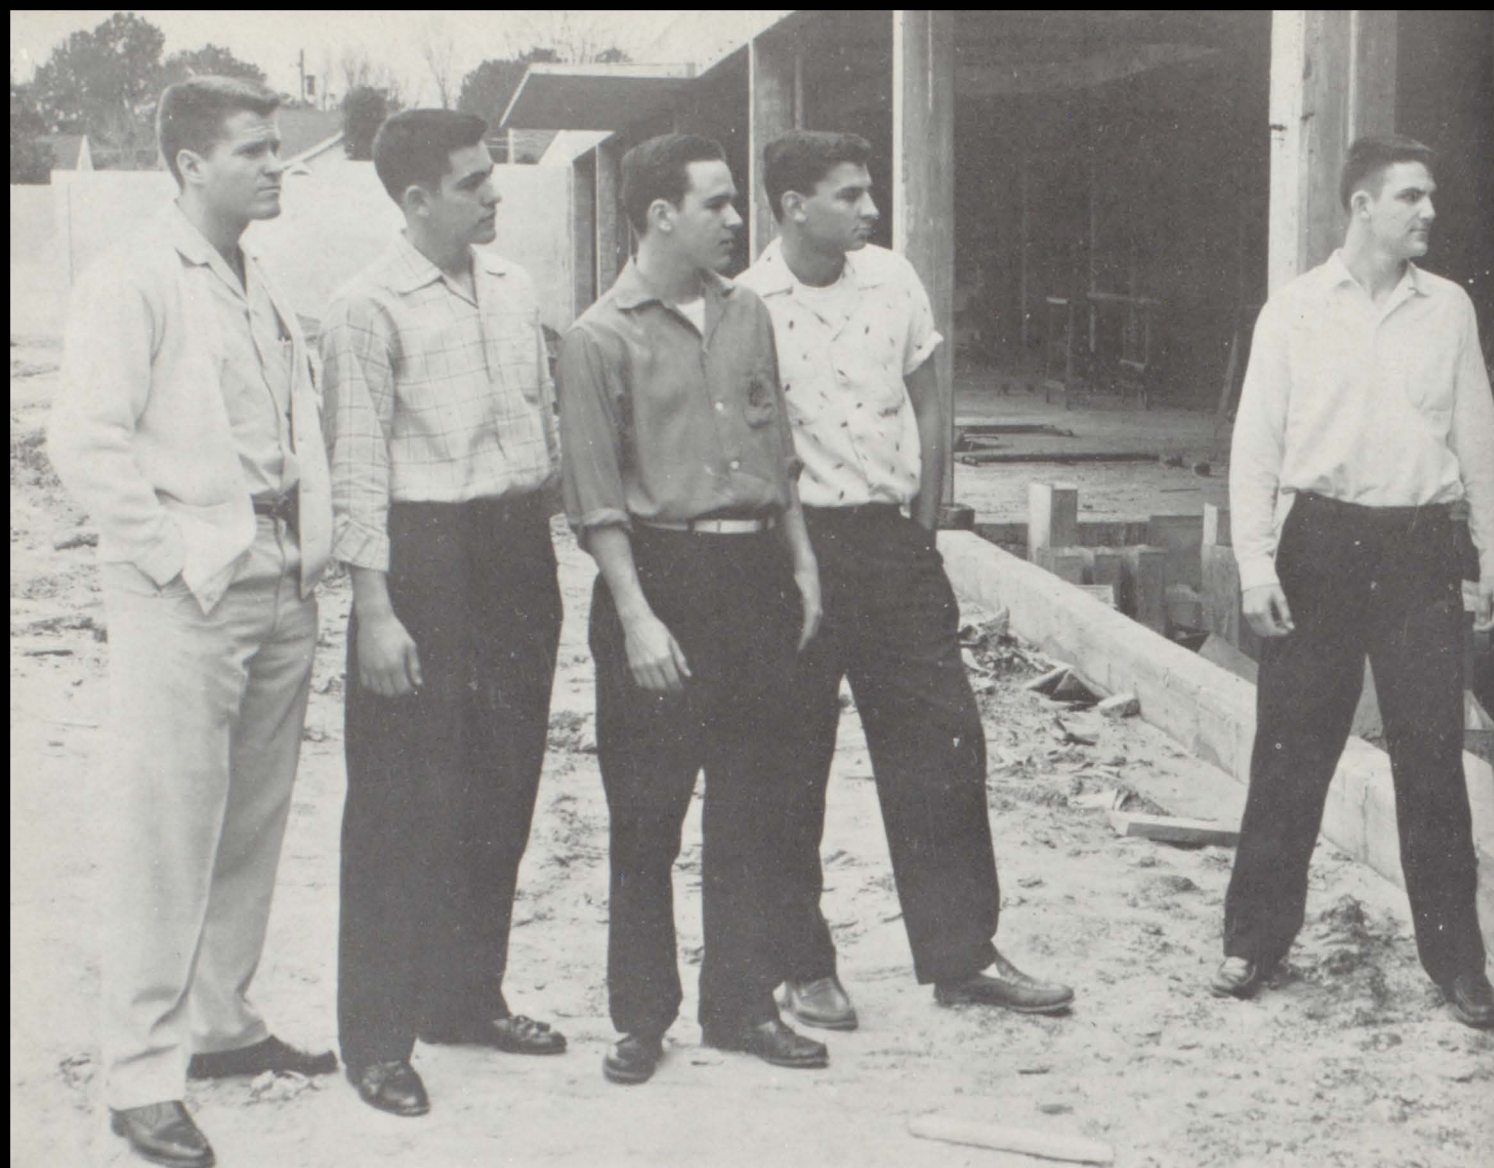

Some played while others worked.

Here we learned to fire the M1 Rifle.

On Saturday we cleaned up, then went into town.

INCLUDED IN THE NEW ADDITIONS to Byrd is a new gym, which these athletic seniors are approving. Checking on the progress of the work are Eddie Burt, basketball; Alvin Sanders, baseball; David McGuffin, tennis; Spiro Cosse, football; Phil Heffington, track; and Sammy Love, golf.

ATHLETICS

Soaking under blankets at football games . . . claustrophobia at a basketball game . . . the long walks at the golf course . . . baseball practice 6th period . . . eating dust at a track meet . . . the crick in the neck from a tennis match . . . all making the "spirit of Byrd."

FALL – WINTER – SPRING – SUMMER

FOOTBALL

In the last three years Byrd High has compiled a record in football that any school would be proud of: 32 wins, 4 losses, and 1 tie.

GOLF

One of the most impressive records in Jacket athletics has been made by the golf team which has won the State Championship in five of the last six years.

SOFTBALL is a sport enjoyed by girls and boys alike.

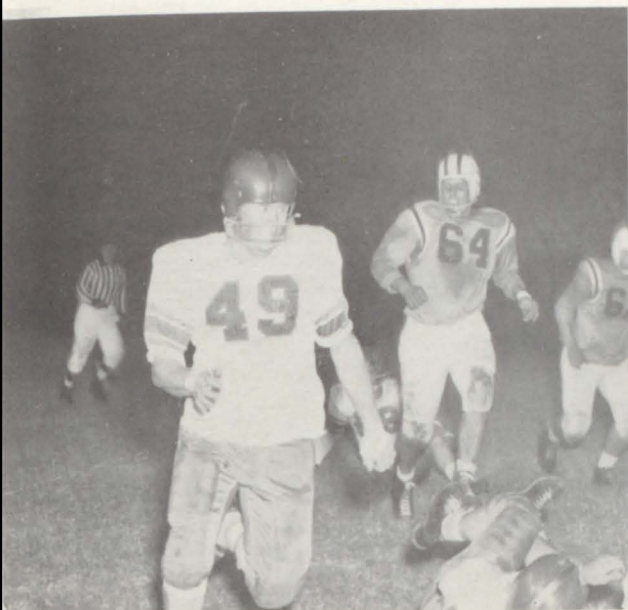

BASKETBALL when played by the men from Line Avenue, can be as exciting as any football game.

Jack C. Rowan, head coach at Byrd High School since 1946, retired this year to enter private business. While at Byrd, his teams won the state AA championship once and went to the state finals twice, compiling a record of 68 games won and 40 lost. During the last 3 years his teams have won 32 games, lost 4, and tied 1. With the retirement of Coach Rowan, Byrd High School has lost not only a great coach, but also a great man.

Watching action during Sulphur game.

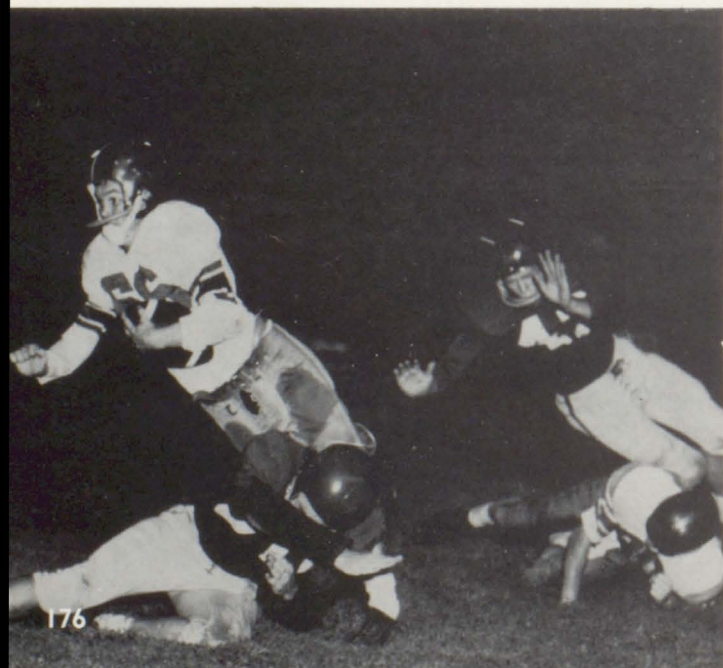

BYRD—31 SULPHUR—12

The Byrd Yellow Jackets pushed over three touchdowns in the second half after being held 7-6 by the Sulphur Tors in the first half. Don Truly recovered a Sulphur fumble on the Jacket forty-seven and the Jackets were off to score with Bundrick doing the honors. Frank Pernici later broke loose for an 87 yard touchdown run. Joe DeFatta added a touchdown to his scoring record by going over from the 5 yard line. Billy Bundrick was the scoring leader for the night with three touchdowns and three extra points.

BYRD—25 LAKE CHARLES—6

The Byrd Yellow Jackets took advantage of a Lake Charles fumble on the Byrd 5 yard line to score the first touchdown with Frank Pernici carrying the ball over. The second and third touchdowns came as John Woodall and Buddy Bush caught passes from Pernici to score from the 5 and 15 yard lines. The last score came as Pernici caught a Lake Charles punt on the 50 yard line, picked up blocking and ran down the west side lines for the fourth and final score. The Wildcats' only score came as Ted Dupin went over from the 16 yard line.

BYRD—35 BOSSIER—0

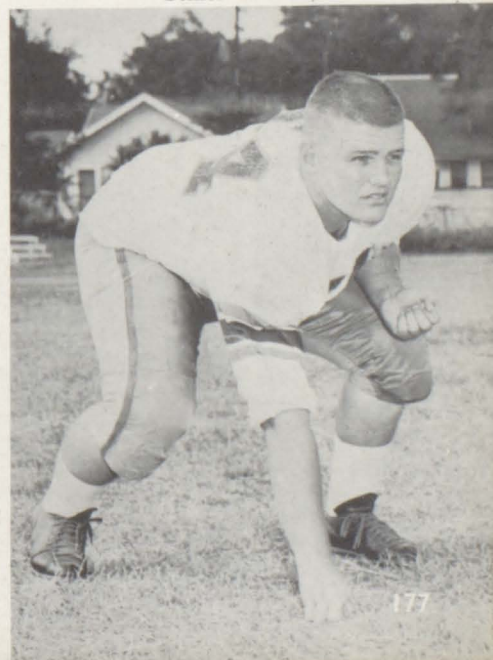

Frank Pernici, Joe DeFatta, and Buddy Bush shared scoring honors as the powerful Byrd Yellow Jackets crushed the Bossier Bearcats. Pernici returned the opening kickoff 96 yards for a touchdown and five minutes later broke through for another touchdown on a run of 24 yards. Billy Houchin kicked his first of five placements following the touchdown. DeFatta scored his touchdowns on runs of seven and seventy-eight yards. The latter was mainly due to the blocking of center Spiro Cosse, tackle Don Truly, and guard Bobby Eason. Bush scored the last touchdown before the half ended, and the Jacket reserves fought Bossier on even terms the remainder of the game.

BYRD—32 WEST MONROE—0

The Jackets lived up to expectations by trouncing West Monroe 32 to 0. The passing of Frank Percini was a constant threat to the Rebels throughout the game. Spiro Cosse blocked a punt, grabbed the pigskin, and outran the Rebel team for a score. John Woodall and Billy Houchin caught two touchdown passes, and Buddy Bush added the final score. The Rebels were unable to penetrate the strong Jacket line. Especially outstanding were Don Truly and Vernon Kalmbach.

BYRD—39 MARSHALL—6

Don Truly, a Jacket tackle, opened gaping holes in the Mavericks' line to help his teammates down Marshall. Early in the game, Billy Houchin ran twenty-three yards for the lone Mavericks' score. Byrd took over the ball on a kickoff, and on the first play from scrimmage, Billy Bundrick ran seventy yards to the Maverick three. Bundrick scored on the next play; Billy Houchin kicked his first of three conversions of the night. Frank Pernici scored the next two on runs of forty and twenty yards. End John Woodall intercepted a Marshall pass and ran twenty yards for the TD. At the close of the first half, Bundrick scored from the two. The lone score of the second half was a six-yard run by Pernici.

BYRD—47 BOLTON—13

The Byrd Yellow Jackets came from behind in the first quarter to trounce soundly the Bolton Bears. Frank Pernici started the party by taking the opening kickoff and running the ball ninety-two yards for the touchdown. However, Joe Defatta was the hero of the night, scoring three touchdowns. After a series of fumbles which left the score 13 to 7 in favor of Bolton, Defatta scored his first TD and early in the second quarter notched his second. Center, Spiro Cosse set up the next TD by blocking a Bolton punt. Pernici then took charge and tossed a short pass to Bush who carried it over. Passes accounted for the remaining TD's, with Jim Montgomery, Ken Bond, and Defatta doing the honors.

Joe DeFatta rounds the corner for TD.

BYRD—41 HAYNESVILLE—6

Even the use of the single-wing, which Byrd hadn't used in five years, didn't stop the Jackets as they ground out a 41-6 win over the Golden Tornados. Joe DeFatta sparked on offense scoring 3 touchdowns and making numerous other long gains. Buddy Bush and Sonny Jacobs also scored with runs of 14 and 5 yards respectively; Bo Campbell added the last score. Billy Bundrick was outstanding at his line-backing position, making many tackles. Bobby Eason, Phil Heffington, and Don Davis also shared defensive honors.

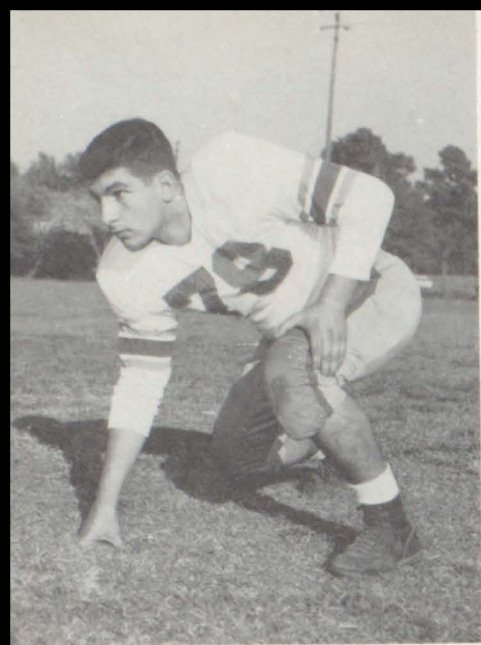

BYRD—55 OUACHITA—7

The Ouachita Lions were no match for the Byrd Yellow Jackets as the Jackets rolled to a 55-7 win. Byrd scored 24 points in the first quarter with Frank Pernici carrying the opening kickoff back 55 yards. H. T. Eubanks gathered attention as he blocked a punt in the 3rd quarter to set up a score. Bundrick, Jacobs, DeFatta, and Studstill accounted for six other touchdowns, as the Jackets finished the Lions.

BYRD—20 SPRINGHILL—6

The spirited Springhill Lumberjacks held the powerful Byrd Yellow Jackets to six points in the first three quarters as the Lumberjacks led 7-6. There were just fifty seconds left in the third quarter when the Jackets unleashed their power to drive for their second touchdown and take the lead 13-7. Carpenter gathered in three straight passes, but the Jackets lost the ball on their own five yard line. The Lumberjacks were forced to kick and Frank Pernici took the kick and ran back all the way for the Jackets' last score.

BYRD—54 BASTROP—6

The Byrd Yellow Jackets rolled to a 54-6 win over the Bastrop Rams undaunted by eight fumbles in the near freezing weather. The Jackets were sparked by five interceptions, three of which aided in scores. The reserves had a chance to show their strength as they played the most of the game and scored three touchdowns. Bo Campbell, Byrd's only starting freshman, scored from forty-one yards out. Frank Pernici led the scoring with three touchdowns, Billy Bundrick two. Finishing the scoring with one touchdown apiece were Bo Campbell, Charles Peatross and Larry Phillips.

BYRD—13 FAIR PARK—32

Rain, rain, and more rain would typify the Thanksgiving Day Classic. Fair Park's big line spelled the difference for the Jackets, as they held the powerful Jacket offense to two touchdowns. Jimmy Orton returned a kickoff for a touchdown to start things rolling for the Indians. Then before the Jackets could rally, Eddie Dunn tipped off tackle for another touchdown. Frank Pernici scored for the Jackets to keep things close. The Jackets threatened just before the half-time but were stopped short by the Indian line. Joe DeFatta added the last score for the Jackets. After the second Indian touchdown, the Jackets were unable to stop their running attack. The Jacket line, although out-weighted, put up a spirited battle in the losing cause. This defeat was the first for the Jackets, and it also gave the Indians the North Louisiana District Championship. Even though we lost District, we can be proud of the record established by the 1955 Byrd Yellow Jacket Football Team.

The Byrd High Yellow Jacket basketball team finished out a rough schedule with 12 wins and 14 losses. The team, although there was only one returning letterman, had a much better year than the record shows. Only three teams beat the Jackets both times they met. Eddie Burt was the team captain and was voted the most valuable player. Although the Jackets were inexperienced this year, next year Coach Robertson is looking forward to a much better season.

The Byrd High Yellow Jackets opened their basketball season with a close 40 to 32 win. The Jackets won by speed and accuracy since the Mavs had greater height. Doug Cherry and Dickey Richard topped the scoring with eleven points each.

Byrd rolled to a 57-47 victory over Natchitoches after trailing by nine points at the half. Burt and Richard led the scoring with nineteen and seventeen points.

The Jackets journeyed to Baton Rouge for a twin bill against Baton Rouge and Istrouma. Byrd fell before Baton Rouge 61-36 in the first game but came back to beat Istrouma 60-52 in a second half comeback. Eddie Burt made 25 points in the second game.

Byrd advanced to the semi-finals in its own tournament by winning over Couthatta 59-46, but lost to Simsboro 46-44 in a thriller. Eddie Burt made the all-tournament team.

Byrd's first conference game was a success as they beat Haynesville 52-45 on the latter's home court. It was a closely played game, but good defensive work and Doug Cherry's 23 points paced the Jackets in an important victory.

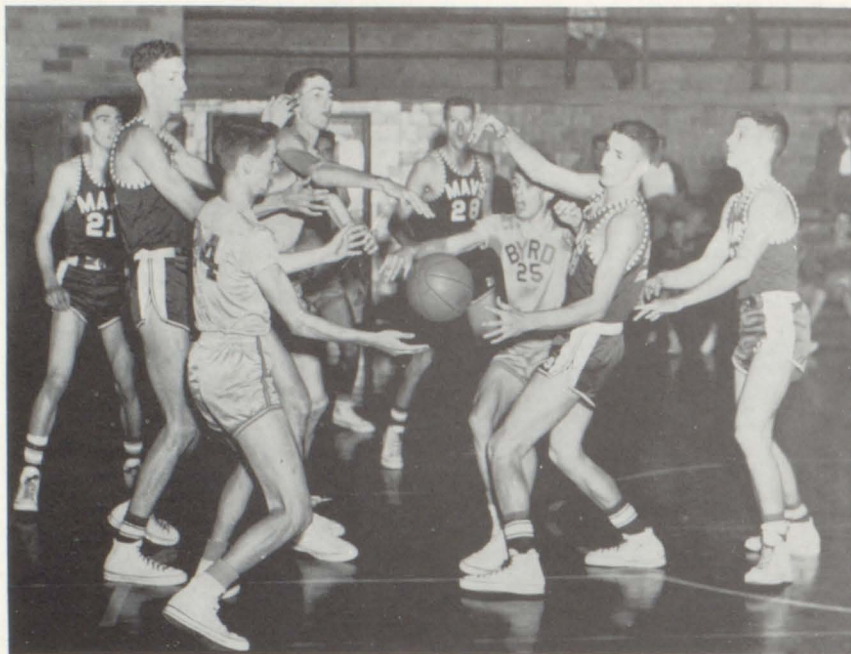

Personal fouls cost the Jackets in their game with Texarkana as they dropped it 60-45. Curt Eaves and Eddie Burt fouled out before the half.

Once again the Jackets fell before Texarkana on the latter's home court. This time the score was 75-58.

Minden, with the fabulous Jackie Moreland, had little trouble in downing the Jackets 80-46. This was one of the Jackets' worst defeats of the year.

DOUG CHERRY—Sophomore

Fighting for the ball are Doug Cherry, Bobby Ware, and Dickey Richard.

ROY DEA—Sophomore Squadman

The Jacket offense collapsed completely at half-time and the Springhill Lumberjacks went on to win 57-48. The favored Jackets were leading at half, but the lead soon disappeared under the terrific shooting of Springhill. Only Eddie Burt's 25 points kept the Jackets in the game.

Eddie Burt with 24 points and Dickey Richard's 16 points paced the Jackets to a 64-49 victory over North Caddo in a game highlighted by a good second half in which Byrd came from behind to win.

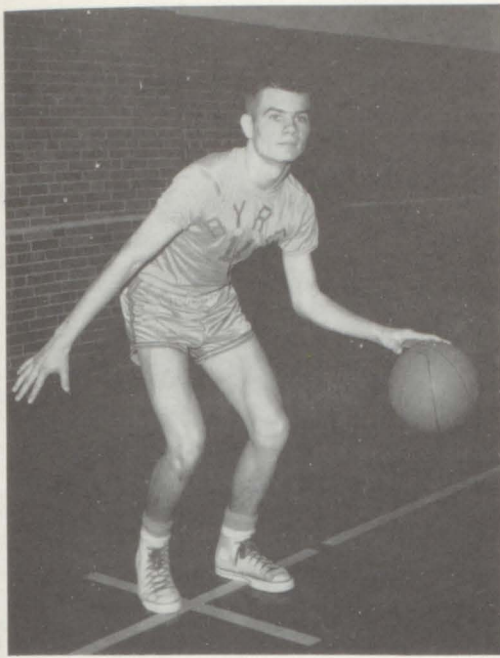

JOHNNY BYRD—Sophomore Squadman

A Lumberjack fouls Richard as he goes in for a crisp shot.

Minden completely outclassed the Jackets on their home court with a 77 to 32 win. Once again it was too much Moreland and Maxey. Moreland scored 32 points and Maxey added 20 more.

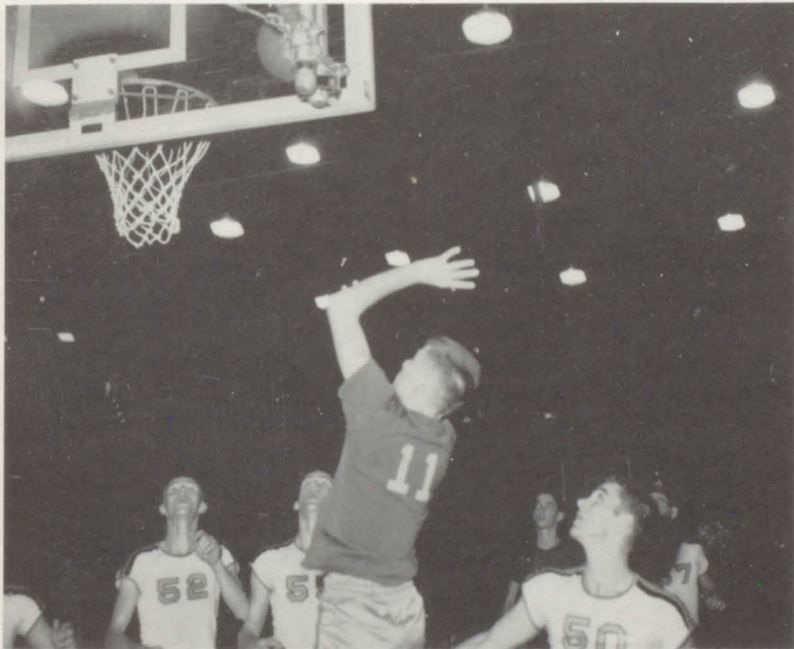

Byrd's offense came alive in the second half to down North Caddo again with 63-50. Good defensive work in the final quarter stopped the Rebels' attack cold. Dickey Richard's 24 points led the Jackets' scoring.

BILLY FITZGERALD—Sophomore Squadman

Carpenter and Cherry fight for a rebound.

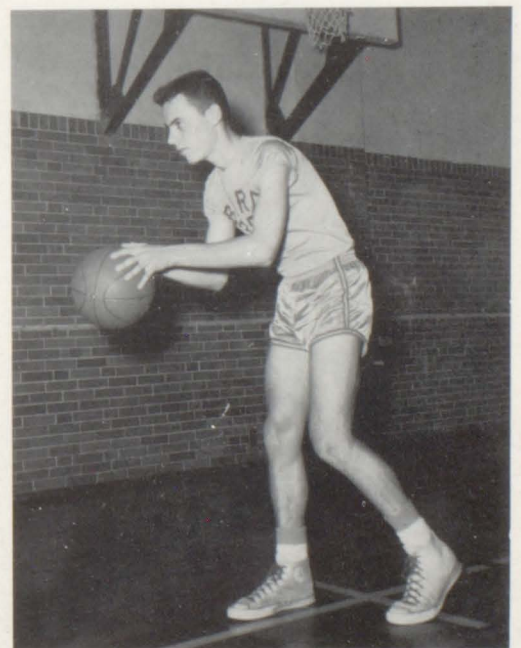

Billy Fitzgerald scores on a jump-shot.

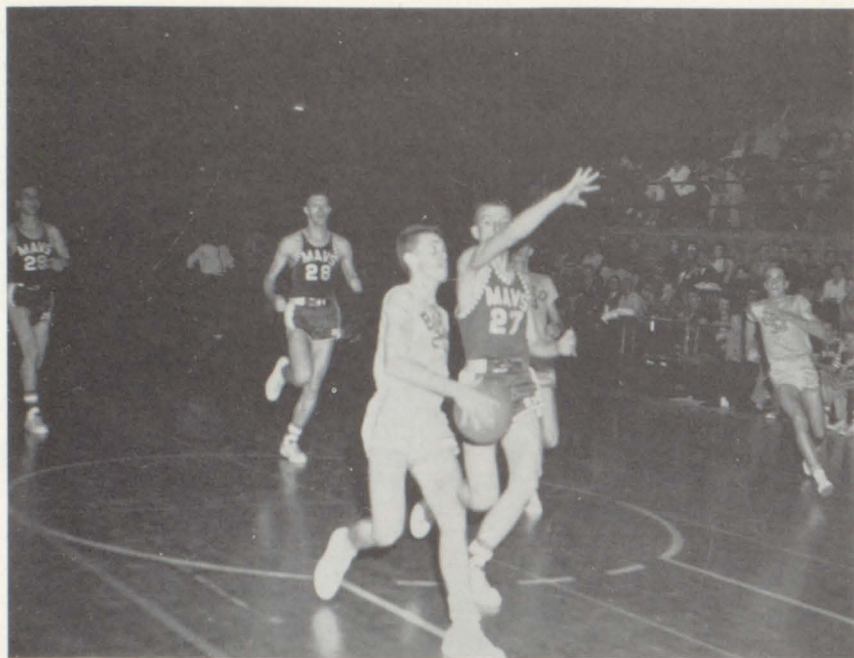

A hustling Bossier Bearkat team downed the Jackets 66-56. Cherry, Burt, Richard, and Eubanks all fouled out in the fourth quarter. Free throws proved the difference once again. Byrd was unable to solve the steady Bearkat defense, which committed very few fouls during the game. George Nattin, Mac Lattier, and Ed Shaw paced this steady team to its victory.

Another hot game was played between Byrd and Fair Park with the Indians coming out on top by 79-70. This was the game which decided the Western Division championship. Burt and Richard tallied 23 and 21 points respectively, while Eubanks chipped in with 12 to help things.

The luckless St. John's Blue Flyers gave Byrd a scare before losing 62-57. A third quarter barrage paced by Eddie Burt spelled the difference. Burt's 27 points was high, followed by 18 by Richard.

ROBERT PATTERSON—Sophomore Squadman

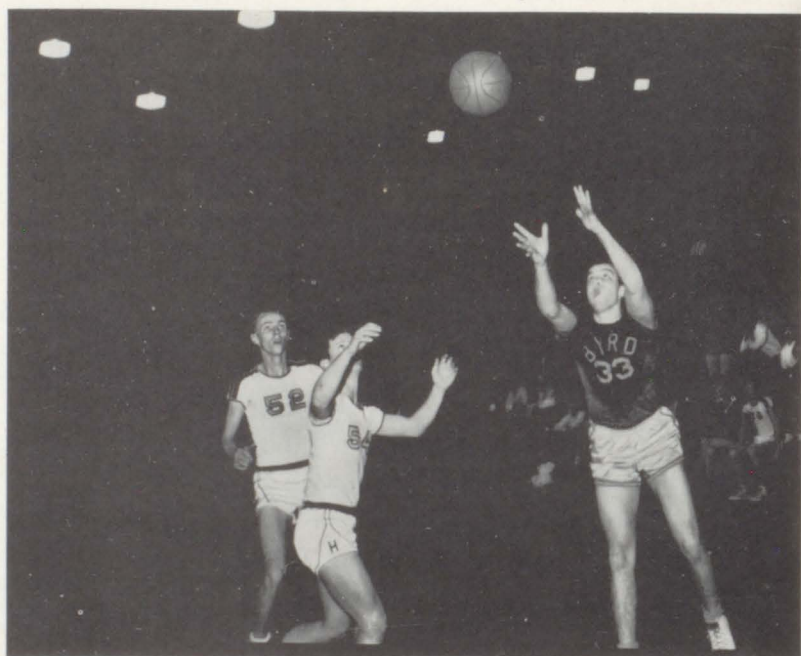

Richard goes in for layup against the Mavs.

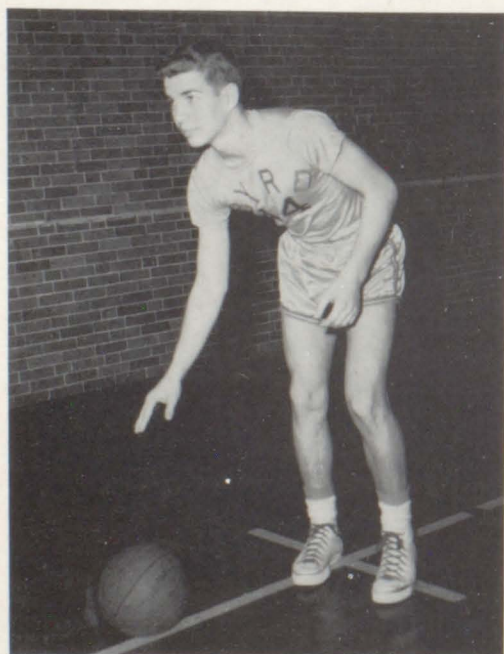

DONNIE GILCREASE—Freshman
Squadman

Bossier held its supremacy over the Jackets by winning 65-50. The well-balanced Bearkats led all the way, holding a 15 point advantage at half. Byrd never threatened and played a lifeless and dull game. Eddie Burt, playing his final game, once again led the scoring. His 18 points was high for both teams.

Eubanks makes one from the corner.

BUBBA RASBERRY—Freshman
Squadman

Next the Jackets went to Bastrop to play in the district play-offs with Fair Park. Byrd played Bastrop, who was the Eastern district winner and the Indians played Ouchita. The two winners were to meet for the North District championship. Again this year fate stepped in and the Jackets lost 57-55. The Jackets were leading by three points with less than two minutes to go, but a win wasn't in the books as three straight bad passes caused the Jackets to lose. Eddie Burt got 20 points in the loss. Fair Park also lost, so the two played the next night for consolation. Fair Park won 55-50 in another heartbreaker.

"B" TEAM

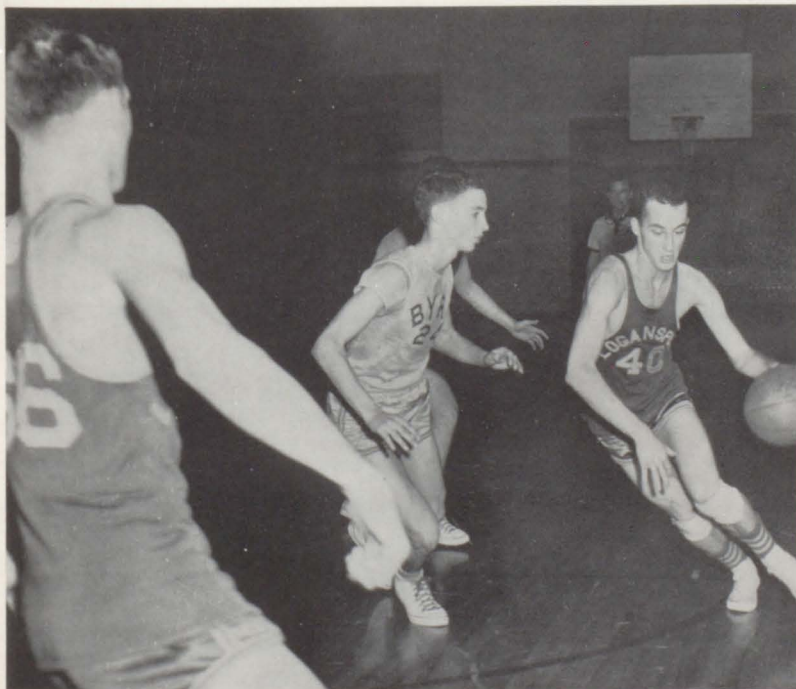

Kneeling: Billy Fitzgerald, Donnie Gilcrease, Hunter Tracht, and Bubba Rasberry.

Standing: Roy Dea, Johnny Byrd, Robert Patterson, and Doug Cherry.

Byrd's "B" team had a very successful season by winning 19 and losing only 3. These boys played smoothly together and proved to be one of the strongest "B" teams in this area. Each player had to be in good shape because many of them played in two ball games in one night. The highlights of their season were winning the Fair Park game and winning the Ringgold Tourney. Because of the experience of the members and the success of the team, the prospects are bright for the 1957 varsity.

JIMMY HUGHES

With four returning lettermen, Gordon Rountree, Robert Blewitt, Billy Coker, and Jimmy Hughes, the outlook for Byrd's golf team in 1956 seems very bright. Hopefuls Pete Boggs, Steve Dennis, and Bill Smith have caught the coach's eye and will bear watching. The big annual event which all golfers look forward to is the State Championship meet held at Baton Rouge. In the past six years the golfers from Byrd have won the sweepstakes five times. They are looking forward to another Championship this year.

Because of the skill of the individual players and the spirit of the group, the team is looking forward to a successful spring and summer of competition.

BASKETBALL

... brings the Jackets a chance to display their skill on the court ...

1. After arriving at the gym, you purchase your ticket from one of the pep squad members.

2. As you enter your ticket is taken by a stingerette girl.

5. Hunger finds you at the concession stand during the half.

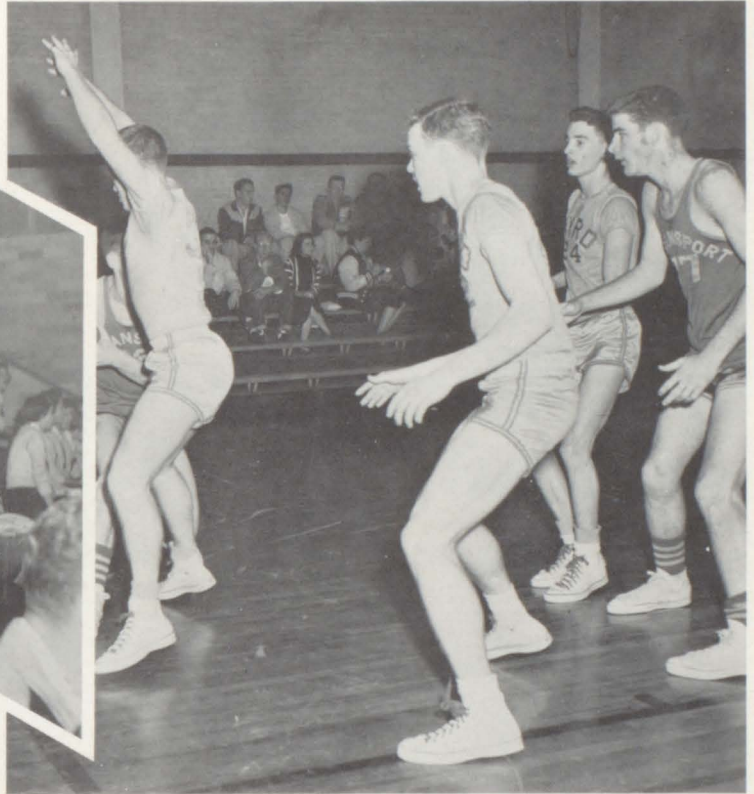

6. Back in your seat for the second half, you are eager to see two great teams fighting for victory.

TUESDAY NIGHT

... finds us cheering the cagers ...

3. Now you're ready for a game packed with excitement.

4. You see a Jacket game filled with suspense and action.

7. The yells and cheers change from "hold that line" to "baskets honey."

8. After a close victory your spirits are riding high as you vanish into the night.

TUMBLING – BASKETBALL – CALISTHENICS

BOYS' PHYSICAL EDUCATION

Basketball plays are taught in the gym classes to all persons who are not in other athletics.

Calisthenics before any rough exercise are a must to loosen the muscles.

A pyramid is always fun to build if there is a playful soul on the bottom who likes to roll out from underneath.

The back roll is a difficult phase of tumbling to master.

Push-ups are a test to a student's strength and coordination.

TRACK - BASEBALL - RELAYS

During the spring the gym classes learn the fundamentals of baseball.

Pole Vaulting is a specialty in the sport of track.

Before running a race, warm-up laps should be run to exercise the muscles.

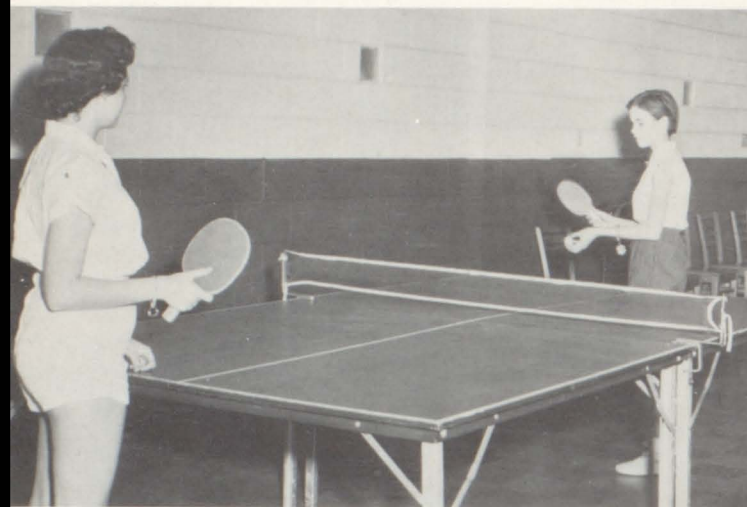

Basketball Relays are fun, and they test a player's speed and skill.

Tumbling is a part of the gym classes in which all take part.

GIRLS' PHYSICAL EDUCATION

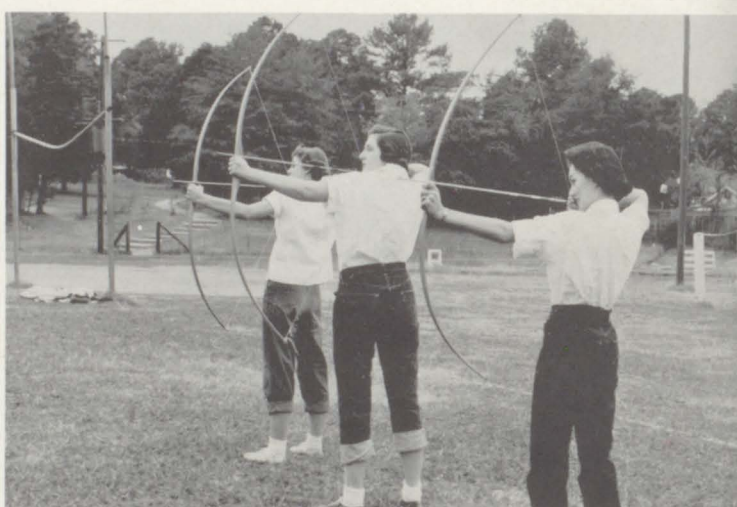

Ping-pong, an interesting sport, is being taught for the first time this year. This individual sport develops a skill that may be used after graduation.

Five Junior girls begin their tennis class with a practice session in learning how to serve.

Here the Senior girls are enjoying a game of basketball. The girls are taught the rules of the game and how to apply them.

Three members of the archery class draw their arrows as they try once again to hit the bulls-eye.

Freshmen try their skill at square dancing and seem to like it very much.

In preparing for their classes in tumbling, the girls start with simple exercises.

INCLUDES MANY SPORTS

Getting away from the more active sports, these girls enjoy a game of Monopoly.

One of the most exciting sports of the year is softball. One six weeks period is spent learning the rules and testing the ability of the classes to play the game.

Many students enjoy the game of badminton. When the new gym is completed, the game will be played indoors.

Like basketball or softball, volleyball is a game requiring much energy. Here the class members engage in an interesting class of this sport.

Each class from Freshmen to Seniors take a course in exercise. This year the new Youth Center was used for these classes.

STINGER

The Stingerettes, organized in 1953, is one of the newest organizations at Byrd. Members are elected by students of the Junior and Senior classes. Its aim is to help promote the fine spirit which is apparent at all athletic events. Approximately one hundred girls perform at the half time of all football games. At the end of each year three awards are given to Senior girls who have been most valuable to the Pep Squad. This year the Drum and

Diane McLeod, Martha Nan Thompson, and Ann Klein are visible examples of the fine spirit Byrd portrayed for the Byrd vs. Fair Park game.

THE NEWLY BUILT YOUTH CENTER has been a great asset to the students of Byrd, because many organizations have held their meetings and parties here. Buddy Yancy, President of the Officers' and Sponsors' Club; Ann Deupree, President of the Creative Writing Club; Vernon Chance, President of the Red Cross; Virginia Marcantel, Secretary of N.F.L.; Jeanne Holt from the Gusher Art Staff; Billy Houchin, President of the Allied Youth; and Hoyt Tompkins, President of Gayarre History Club are a few of the students who have been active in organizations this year.

ORGANIZATIONS

Club meetings, club meetings, and more club meetings . . . Pep Squad begins marching in August . . . 4-H-ers gather in prizes . . . National Honor Society and Quill and Scroll members are announced . . . all these clubs help to unite the citizens of Byrd.

During the past year the Byrd club presidents have done a wonderful job of fulfilling their many duties. Buddy Yancey from the Officers' and Sponsors' Club, Catherine Turner from the 4-H, Ann Oakes from the French Club, Jeanne Purdy from Freshman Y-Teens, Gordon O'Steen from Los Sinnombres, and Susan Fullilove from the Lower Latin Forum are shown outside Mr. Ravenna's office waiting to check the club calendar for an open date in which to have their meetings.

Waiting to sharpen their pencils before club period are these secretaries who have kept accurate accounts of our club meetings this year. They are Mary Ann Neff from the National Honor Society, Virginia Marcantel from the N.F.L., Elaine Brouillette from Future Nurses, Kay Wiener from the Red Cross, and Jerry Williams from the Choir.

PARTIES

Now the party is over;
All the guests had fun.
The work, however, has not ended;
The dishes must be done.

Our club treasurers have had the big responsibility of keeping an accurate account of all the money affairs of their clubs. Seen preparing bank statements are Janice Sturdivant from Sophomore Y-Teens, Vandeleath Jackson from the Library Club, Dan Coker from the N.C.O., Alan Bierbaum from Boys' Debate, and Pam Plumley from Upper Latin Forum.

These vice presidents are placing club cards in the teacher's boxes. These cards serve as hall passes for those going to clubs during club period. Here we see Peggy Briant from Creative Dance, Betty Roy from Los Vecinos, Mary Lou Maurer from Quill and Scroll, Frank Gullo from Distributive Education, Marie Armitor from the Biology Club, and Alwynelle Self from Future Nurses.

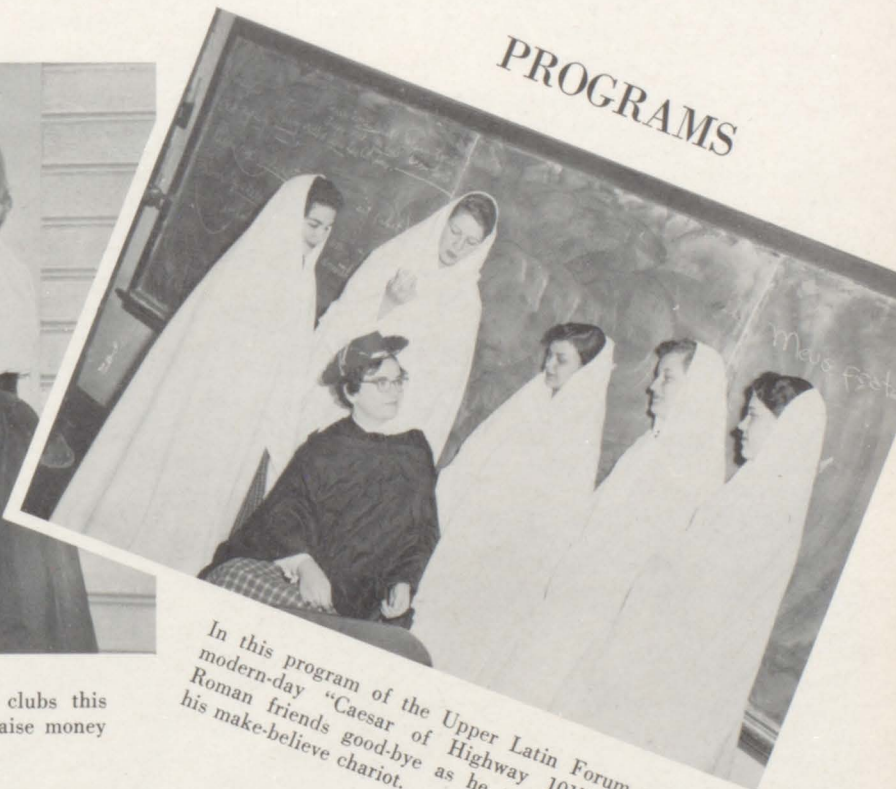

MANY HAPPY HOURS

PROJECTS

Many successful projects were sponsored by our clubs this year. The Y-Teens decided to sell potato chips to raise money to send a girl to the District Y-Teen Camp.

STUDENT COUNCIL

On the belief that a democratic school is the best training for life in a democracy, the Student Council of Byrd High School was organized in the fall of 1940. With the passing of the years its accomplishments and importance have steadily increased.

The Council consists of representatives whose duty is to receive from the members of each home room all problems concerning or affecting Byrd and to present these problems before the council for discussion and action. Each committee of the organization is designed to administer to one or more particular needs of the school and is assigned to perform any duty which falls under its jurisdiction. Some of the duties of the committees are providing a courtesy desk and a lost and found, making a calendar of school activities for the office, planning the assemblies, and sponsoring a school store.

A great honor was bestowed upon Byrd this year. Its Student Council was elected to serve as president of the Southern Association of Student Councils. This convention was held in Columbia, South Carolina, and included fourteen other Southern states. Delegates were also sent to the State Convention held in Monroe, Louisiana. The sponsors of this year's council are Miss Cecilia Cooley and Miss Neva Norsworthy.

Workers of the Courtesy Desk act as Byrd's ambassadors of good will by greeting any visitors who come to our school. Besides showing guests through the building, the girls are also available for running errands for the teachers. Workers this period are Alice Davis, Mona Horton, Martha West, and Aura Lea Tompkins.

This talent show was quite spectacular!

THE COUNCIL WORKS

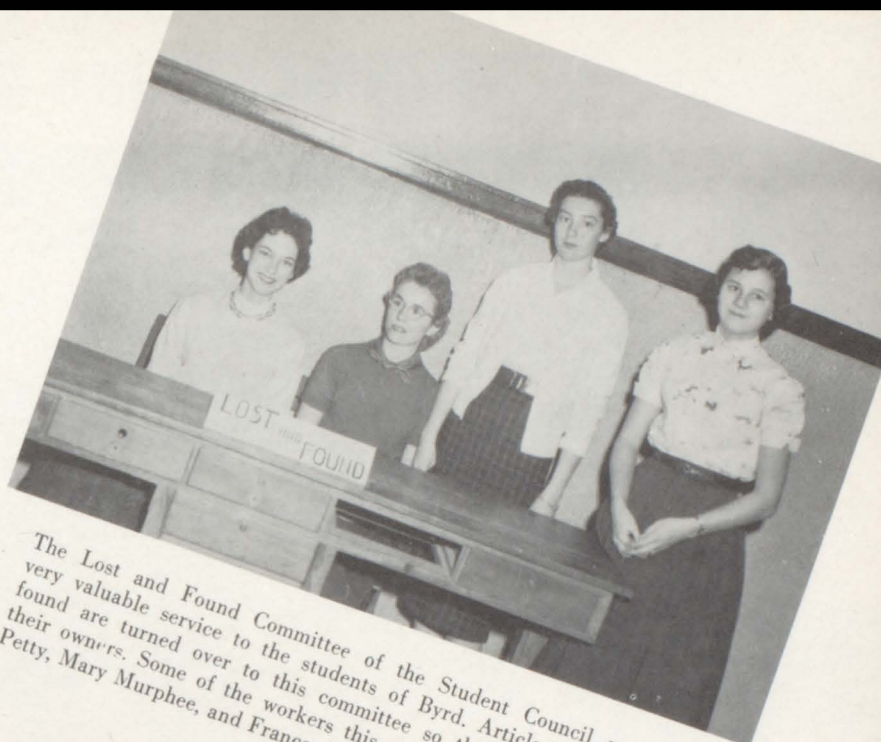

Miss Cooley, David McGuffin, Virginia Jones, Ann Deupree, Fred Sexton, and Miss Norsworthy are shown leaving a plane in Columbia, South Carolina, where Byrd served as president of the Southern Association.

One of the responsibilities of the council is to plan the assemblies. Shown backstage of the auditorium are this year's sponsors, Miss Cecilia Cooley and Miss Neva Norsworthy.

The council presents a show each year, the proceeds being used to send delegates to the annual student council convention.

The Lost and Found Committee of the Student Council performs a very valuable service to the students of Byrd. Articles that have been found are turned over to this committee so they may be claimed by their owners. Some of the workers this year are Edna Lavendar, Elinor Petty, Mary Murphee, and Frances Gerlach.

FOR THE CITY OF BYRD

Tommy Mund is buying a car sticker from Joan Hamrick in the School Store as David Smitherman watches. The store furnishes school supplies of all kinds to the students and teachers. Candy and fruit may be purchased during the lunch shifts.

Douglas Yauger pins an identification card on Wanda Markham at the State Convention held in Monroe, Louisiana.

JUNIOR RED CROSS

Waiting to begin work are the Junior Red Cross officers, Dee Stahl, Second Vice President; Don Schroeder, Treasurer; Kay Wiener, Secretary; Vernon Chance, President; and Norma Strother, First Vice President.

The main idea behind the Junior Red Cross is that of helping others. This year the Cross has added one more project in their policy of service. This was making teaching aids for the Home of the Mentally Retarded. This consisted of the making of homemade books, nests of cans, and dyed spools strung on strings. The Red Cross continued the making of favors for the Veterans' Hospital and of filling gift boxes to be sent overseas. Also the clothing drive was again carried out. Mrs. Jo Pardue and Miss Virginia Chadick sponsor the Junior Red Cross.

COMMITTEE CHAIRMEN

Gary Montgomery, Publicity Chairman; Toni Sherman, Student Council Representative; Lynn Rogers, Hospitality Chairman; Dalna Worley, Art Chairman; Suzy Ogier, Workshop Chairman; and Buddy Daily, Manual Arts Chairman.

JUNIOR RED CROSS MEMBERS

These Red Cross Halloweeners start in October in their hard work for the purpose of helping others. Here they show their favors, which they made here at Byrd, to be given to the Children's Hospital.

The making of the Student Directory is no easy job. Faye Combs and Stephen Best first obtained names of all students in the office.

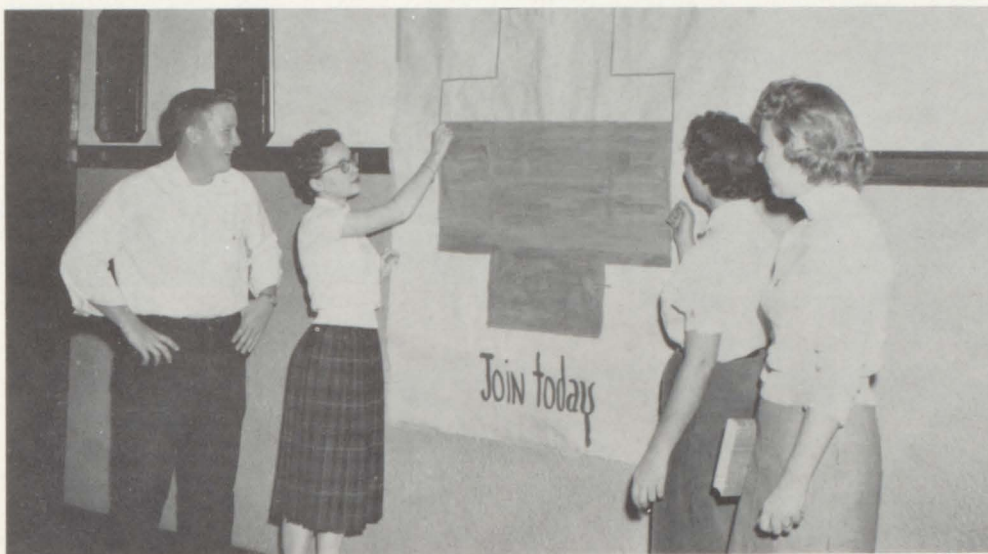

Jane Hanks, typing chairman, typed in alphabetical order the student's name, address, telephone number, and classification.

Mrs. Jo. Pardue sponsor, and Miss Virginia Chaddick, co-sponsor, admire the finished product, while they discuss more work for the Red Cross to do.

SERVE SCHOOL AND COMMUNITY

Attractively centered in the front hall stands a reminder to give to the Red Cross Drive. Red Cross workers are shown filing the progress of the drive by coloring in the cross. Much work was done in making the drive reach its goal of \$285.

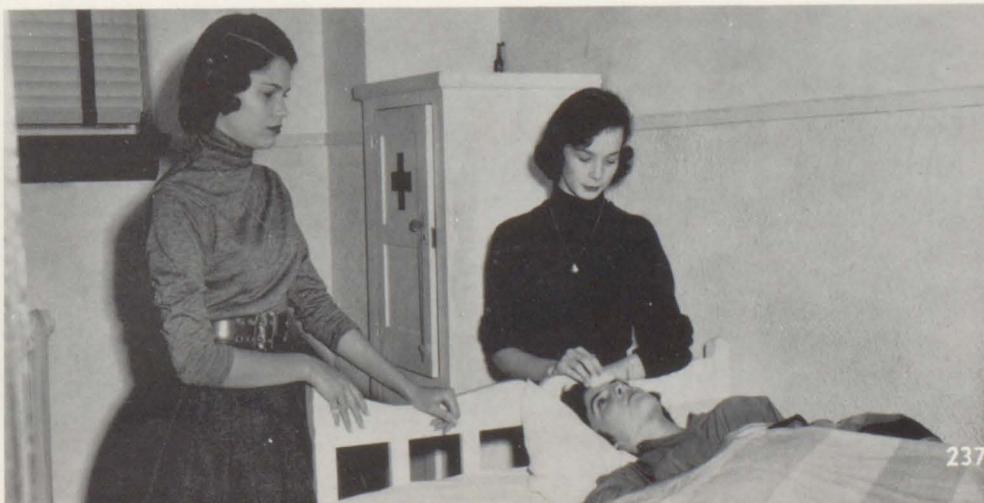

But more work continues as Home Room representatives hurriedly fill gift boxes in November to get overseas in time for Christmas.

After the boxes are filled, they are then placed in boxes for shipment overseas for a gift to a needy child.

Another worthy function of the Red Cross is the First Aid room. Here two workers are always found to give aid to any student who is ill. The First Aid room is located on the first floor, opposite the school store.

FUTURE HOMEMAKERS OF AMERICA

The Byrd chapter of Future Homemakers of America was organized in 1930 and has endeavored to further an interest in home and community life through the years. It offers opportunity for members to develop initiative in planning and carrying out activities to better their home life and that of their families. This is the first year in the history of Byrd that Creative Dance has been offered as an activity in physical education.

Creative Dance, like Folk dance, ballet, and tap dance, offers pleasurable, vigorous activity, rhythmic training, recreational appeal, and sociability. Contemporary or Creative Dance goes further than these other types in that it may become a personal art form. Each individual learns to use movement as a medium of expressing his or her ideas or feelings. One of the most clever and enjoyable assemblies of the year was presented by the club. Miss Betty Bryant is the sponsor of the Creative Dance Club and Mrs. Ocile Robinson assists her with the choreography.

ALLIED YOUTH

The Allied Youth Organization of Byrd has almost a thousand members. Under the sponsorship of Mrs. Dorothy Cox, it is by far the largest club in our school. Any student at Byrd may join to aid in developing a well rounded and balanced life. Included in the cost of his dues, a member obtains a booklet named, *The Allied Youth*. The articles and stories in the pamphlet are very beneficial to a young person trying to live a happy and moral life. The purpose of the club is "To seek the truth concerning beverage alcohol and the best way of life in relation to this problem." This club is the most popular in school.

Winners of the American Field service nominations to spend two months abroad this summer living in European homes are Juniors Douglas Yauger, Jane Hanks, David Lefkowitz, and Sue Caldwell.

One of the main attractions of the Byrd Memorial Youth Center is the free juke box. Juniors shown gathering around it are Joe Tucker, Gerald Ray, Pattie Rogers, Missy Leary, Ray Longino, Pat Langford, Rosemary Dubuisson, and Angie Henderson.

JUNIORS

In Memoriam

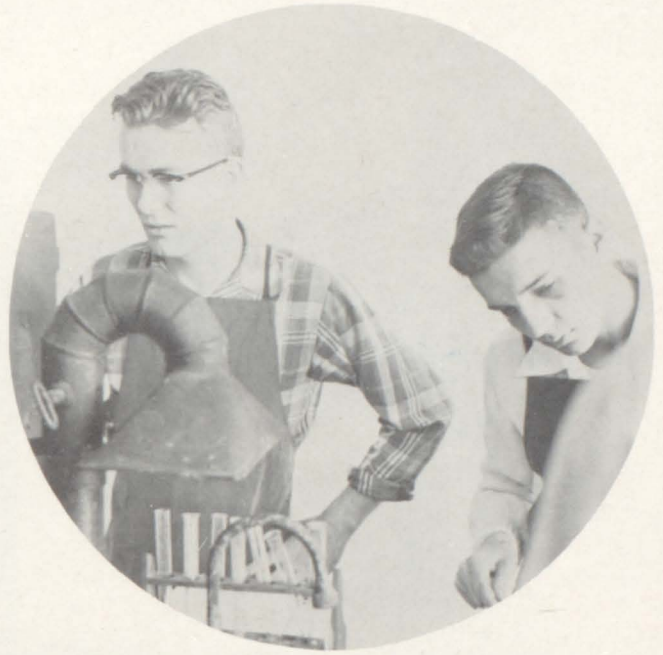

Pat Juneau died in October, 1955.

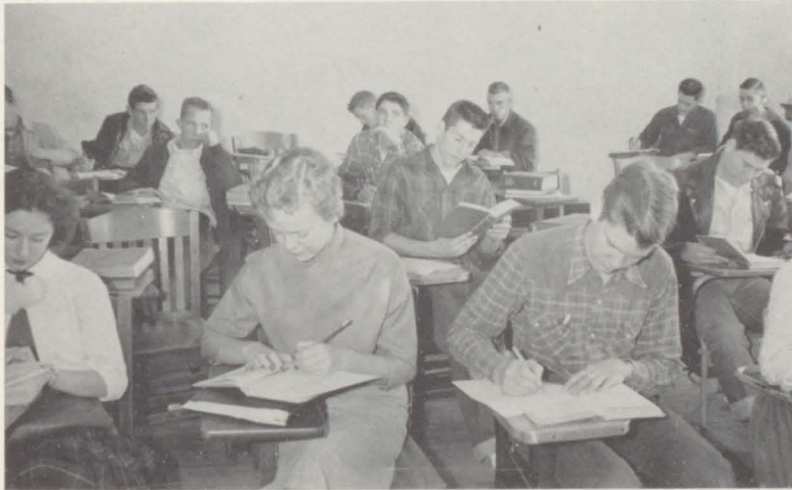

ARE BUSY PEOPLE

Presenting a project in American History are Juniors Barbara McNeill as the narrator, Jane Hanks as Thomas Jefferson, and Jane Ilgenfritz as Dabney Carr.

Juniors shown working on a chemistry project are Tyrone Pennington and Richard Ryan.

Juniors take many kinds of math. Plane or solid geometry, advanced algebra, and business arithmetic are all Junior math courses.

A Junior's day at Byrd is a busy one. From the time he sets foot in the building, he is working on a research theme, a science project, going to the school store, or finding something to keep him busy.

Many Juniors are students of Mr. Graves in his driving classes. Students shown here are learning a few basic rules before entering the car.

THE CITY OF BYRD WELCOMES

Leaving school after a hard day we see the Sophomore class officers: President, Gary Montgomery; Vice President, Charles Peatross; and Secretary, Becky Schergens.

Left: As the school bell rings, we see a group of Sophomore students returning after a three month rest eager to get to work.

Right: While they are inspecting one of Byrd's new rooms, we get a glimpse of Jimmy Hartwell, Jerry Jouett, Grantham Couch, Bobby Hamm, Jan Heard, Robert Carr, and Richard Phillips, nominees for class officers.

SOPHOMORES

Glad to have a few minutes rest are the other class officers: Treasurer, Johnny Dishman; Parliamentarian, Carolyn Kendrick; and Dan Deupree, Sergeant-at-Arms.

Right: After school, Sophomores Jack Green, Julie Courtney, and Tom Parker gather around while Martha Mayes plays.

Sanda Grage, James Burroughs, and Gail Griffith receive refreshments from Claudia Sturges and Murray Johnston after a game of Scrabble.

Enjoying an afternoon of television at the Youth Center are Dick Adams, LaRae Moore, Ann Lindsey, and Hartie Spence.

Here we see Alwynelle Self, Sanda Grage, and Julie Courtney serving Dr. and Mrs. Abramson on go-to-school night.

Learning the different phases of Home Economics are Norma Gurden, Emma Brodnax, Betty Bunch, and Mel Hollowell.

Observing the different kinds of sea shells are Dorothy Carlson, Lynn Evans, and Lawrence Shirey.

WORK AND PLAY

Sophomores Martha Hayes, Ray Dry, Grantham Couch, and Ann Johnson are like their classmates, always eager to support player groups and other school activities.

Phillip Lane, Dick Adams, and Frank Akin are pictured here while collecting specimens for Biology class.

Vivian Lee Ames, Alwynelle Self, and Richard Phillips are seen here setting up an experiment in Biology laboratory.

Looking over their notes on *Sohrab and Rustum* before a test, is this Sophomore English class.

Miss Latham's Geometry class is seen here while working the theorems.

WORK, PLAY, STUDY

8:30. Students hurry to their first period class before the tardy bell rings.

In history class the students listen carefully while their assignment is dictated.

Freshmen boys are studying a chart concerning the laws of government in civics class.

After watching a preview for a talent show in assembly, these students excitedly try to buy a ticket.

An active game of baseball is welcomed by the gym classes after a morning spent in the hot, stuffy classrooms.

FILL LIFE AT BYRD

Construction of sentences is a vital part of English in high school.

Lunch at last! Time for an ice cold soft drink from the cafeteria.

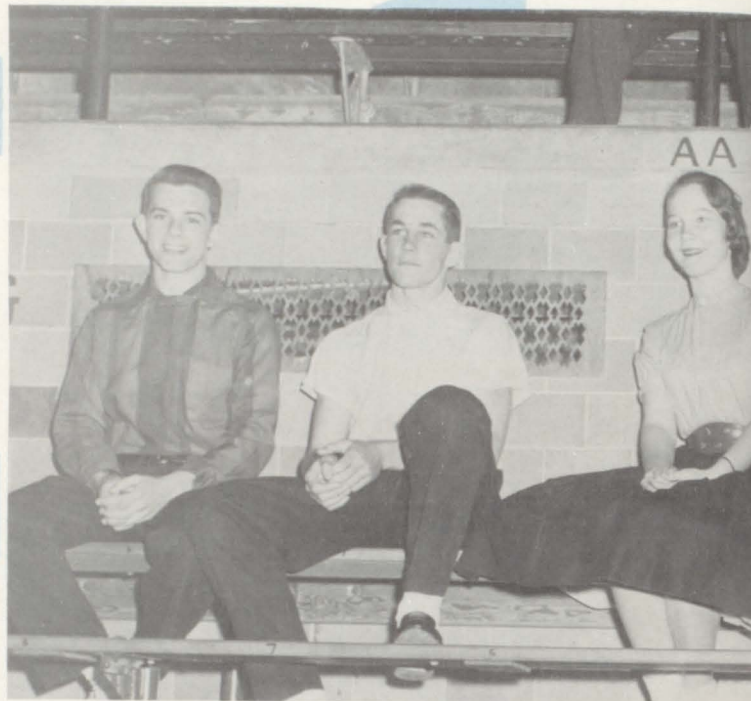

In Byrd the world is the classroom. A field trip in biology helps pupils stay awake after lunch.

After school the library is open for those who wish to check out over night books. With the necessary book, we go home to work on our research papers before school begins again.

THE CITY OF BYRD WELCOMES

Relaxing as they watch Byrd's basketball team in action are Freshman class officers: Randy Jack, President; Rupert Campbell, Vice President; and Nancy Evans, Secretary.

Above: An interesting part of Byrd is the school library. These Freshmen are preparing a lesson in library science.

Below: Being nominated for a class officer is an honor in itself. The Freshman class nominees were Mike Griffith, Jerry Godwin, Jane Cunningham, Joey Young, and Clinton Rasberry.

FRESHMEN

Jackie Rosett, Treasurer; Virginia Ferguson, Parliamentarian; and Johnny Parsons, Sergeant-at-Arms; are enjoying the excitement of a thrilling game of basketball.

Below: Martha Yancey, Bill Jewell, Jimmy Smallwood, and Harold Hawkins confer with Byrd's most prominent Freshman.

Above: An important part of a Freshman's day is study hall. It is, in his estimation, his most important period.

At the party given by the Gusher, Judy Wintle is showing the Gusher trophy case to a group of applicants for the one freshman position.

Wayne Weidie, a student in Mr. Dehner's science class, prepares to send Morse Code which his classmates will receive.

A FRESHMAN'S FIRST DAY AT BYRD

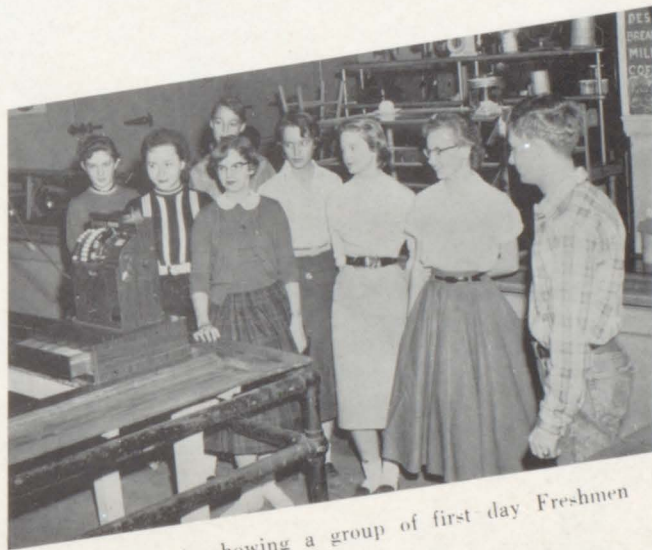

Walking nonchalantly, Freshmen enter Byrd High for the first time.

These Freshmen have found their way to the auditorium where they will be introduced to the functions of the school.

On the first day of school Courtesy Committee members: Felix Wheeler, Junior; Lynn Rogers, chairman; Diane McLeod, Senior; and Pat Bateman, Sophomore; handed out "B" Books and gave instructions to eager Freshmen.

Adrian May is showing a group of first-day Freshmen the cafeteria.

A group of Freshmen are being shown the library by Dave White.

Freshmen, Paul Nelson and Jimmy Hudson, appear to be confused by the directions given in the "B" Book.

THE CHANGES IN EVERYTHING BEGIN WITH ADVERTISING. Standing in front of the construction sign are these students who are active in advertising our school activities. They are Jerry Winterrowd of the football ad staff; Carol Goldstein, Business Manager of the Gusher; Sally Berwald, Advertising Manager of the Gusher; Dee Stahl of the Junior Red Cross; Elizabeth Dorr, Advertising Manager of the High Life; and Perry Winterrowd of the football ad staff.

ADS

Big pep talks turn into "Won't you please buy an ad?" . . . layouts . . . deadlines around the corner . . . eleventh hour finished product . . . and then it's out . . . all paid for . . . and we are proud of it.

Mr. Milburn, our favorite photographer, watches the birdie as we have done many times.

The clean-up committee appeals to Byrdites to make use of the newly-installed trash cans.

Now at last our cake is together again, and our "happy birthday" year draws to a close. Just as it takes many ingredients to make a successful cake, it takes many separate divisions to make a successful school. Each separate segment . . . the students, the faculty, the activities, the organizations . . . does a job within itself, and is equally important in making up the whole.

Our school is more than brick and stone . . . more than books and activities; it is the dreams and the things accomplished by our dreams. Each departing student takes with him a little of the school . . . the knowledge he has gained, the fun he has had, the friends he has made . . . to become memories which will help mold his future life.

Within this book, we have tried to capture a little of the whole which went to make up our 30th birthday year.

HAPPY THIRTIETH

"So long as men can breathe, or eyes can see,

BIRTHDAY, BYRD!

The doors of Byrd will soon close for the summer vacation, and everyone will go his separate way. Although most of the students will return in the fall, the members of the graduating class may never walk the halls of Byrd again.

Our school represents one of the finest institutions of learning in the nation today. If the student puts forth an effort to learn throughout his years at Byrd, he will be prepared to face the world and its problems, because he will have received a wonderful foundation for the school of life.

If you are one of these departing students, look back and whisper a "thank you" for the many opportunities Byrd has granted you.

"So long lives this, and this gives life to thee."
